Environmental Studies Dr Kumkum Rajput,2023-07-12 Indian culture has always valued experiencing a sense of oneness with even the tiniest element of nature and creating as little damage to the environment as possible The reason why the ancient Indians were pleased with what little they had was due to this The exploitation of natural resources starts when there is a strong desire to obtain more amass more and consume more Let s take away from nature as little as possible without changing it The ability of nature to regenerate both internally and externally is astonishing An important feature of the NEP 2020 syllabus is the introduction of co curricular courses each semester In the third semester students are expected to study a co curricular course on the Environment The course covers

topics like Ecology Environmental protection laws and Bio assessment of Environmental Quality Theoretical content is supported by a series of multiple choice questions MCQ at the end of the book **Environmental Studies S.
