## **United Methodist Doctrine The Extreme Center:**

United Methodist Doctrine Bishop Scott J. Jones, 2010-09-01 Throughout this ebook Scott J Jones insists that for United Methodists the ultimate goal of doctrine is holiness Importantly he clarifies the nature and the specific claims of official United Methodist doctrine in a way that moves beyond the current tendency to assume the only alternatives are a rigid dogmatism or an unfettered theological pluralism In classic Wesleyan form Jones driving concern is with recovering the vital role of forming believers in the mind of Christ so that they might live more faithfully in their many settings in our world

**Polity, Practice, and the Mission of The United Methodist Church** Thomas E. Frank, 2006-04-01 Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine polity history courses This in depth analysis of the connection between United Methodist polity and theology addresses ways in which historical developments have shaped and continue to shape the organization of the church This revised edition incorporates the actions of The United Methodist General Conference 2004 The book discusses continuing reforms of the church s plan for baptism and church membership as well as the emergence of deacon s orders and other changes to ordained ministry procedures The text is now cross referenced to the Book of Discipline 2004 including the revised order of disciplinary chapters and paragraph numbering Denominational statistics are updated along with references to recent works on The United Methodist Church and American religious life *United Methodist Beliefs* William H. Willimon, 2007-04-19 This brief introduction spells out the major beliefs of the United Methodist Church in a clear nontechnical style William Willimon the beloved United Methodist author preacher teacher and bishop discusses the great theological themes that United Methodists share in common with all Christians as well as the particular accents and emphases that characterize United Methodist understandings of Christian doctrines In his engaging style Willimon opens the door for further study challenging the reader to move toward a continuing reflection on their faith This guide will be of great value to those who are beginning their study of United Methodist beliefs as well as those who have long been in the church and want a helpful way to refresh their understandings of the distinctiveness of United Methodist doctrine *Orthodox and Wesleyan Ecclesiology* S. T. Kimbrough, 2007 **Practicing Discipleship**

Nicole L. Johnson, 2009-06-01 Despite a plurality of doctrinal statements on war peace and nonviolence some United Methodists sustain a commitment to nonviolence Through qualitative research *Practicing Discipleship* draws out lived theologies of nonviolence in order to understand how nonviolent United Methodists define ground and practice nonviolence and to give that voice opportunity to challenge church doctrine and thereby the wider church An analysis of statements from the Book of Disciplines and the Book of Resolutions reveals the plurality of Methodist teachings on moral issues related to war and peace While such plurality is indicative of the inclusive tradition of United Methodism Johnson shows that it also causes confusion thus hindering the vitality and authority of the church s witness This study s qualitative analysis of in depth interviews with twelve nonviolent United Methodists reveals a lived theology rooted in Scripture and theological reflection it

points particularly to a christocentrism that posits nonviolence as central to Christ's teachings and example. While study participants affirm the tradition of openness in the United Methodist Church, they also call for more tangible and extensive support for and education about nonviolence as a faithful option for Christians. Through amicable and constructive practical theological dialogue, doctrinal plurality and ecclesial openness are affirmed as appropriate and possible only within the context of the church's profound commitment to serious discipleship which includes transformation toward nonviolence. Implications of this interaction include developing and adopting a more truthful conception of a nonviolent ethics moving toward broadly conceived Christian formation in nonviolence and fostering ongoing ecclesial dialogue about difficult moral issues of war, peace and nonviolence.

Methodist Morals Darryl W. Stephens, 2024-01-12. *Methodist Morals* offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith. Revised every four years by the General Conference of the United Methodist Church, the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures. Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life. This is the first full length study of Methodist social teachings in over fifty years. Examining official Methodist teachings from institutional, historical and cross cultural perspectives, Darryl Stephens provides a rich analysis of this case study of Protestant social witness drawing on his expertise in church polity, Methodist history and Christian social ethics. A wide range of comparisons with documents of the United Nations with moral debate in Germany and Zimbabwe and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness. The issues of war, abortion, human sexuality and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures. Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey. Intended for students of Methodism, ecumenical church leaders and scholars of Christian social ethics and contemporary US mainline religion, this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world.

DARRYL W. STEPHENS, director of United Methodist studies at Lancaster Theological Seminary, is former assistant general secretary for advocacy and sexual ethics in the UMC's General Commission on the Status and Role of Women. He is the coeditor of *Professional Sexual Ethics: A Holistic Ministry Approach*.

**Whose Sacrifice is the Eucharist?** Stephen B. Sours, 2024-07-26. This book explores what Catholics and Methodists believe about eucharistic sacrifice. Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord's Supper. It is therefore both a Christian doctrine and a church practice. The sacrificial dimension of the sacrament comes both from Christ's sacrifice on the cross and from his self-offering at the Last Supper in which Christ gives himself to the Father on behalf of his people. This is my body.

which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine
