The Help-yourself City Gordon C. C. Douglas,2018 When local governments neglect public services or community priorities how do concerned citizens respond In The Help Yourself City Gordon Douglas looks closely at people who take urban planning into their own hands with homemade signs and benches guerrilla bike lanes and more Douglas explores the frustration creativity and technical expertise behind these interventions but also the position of privilege from which they often come Presenting a needed analysis of this growing trend from vacant lots to city planning offices The Help Yourself City tells a street level story of people s relationships to their urban surroundings and the

individualization of democratic responsibility **Life, Times and Work of William Gillies, 1898-1973** Andrew McPherson, 2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity touched universals of human experience Gillies' idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland's connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain

Contentious Migrant Solidarity Donatella della Porta, Elias Steinhilper, 2021-09-30 In the context of both the financial crisis and the crisis of European migration politics the notion of solidarity has gained renewed prominence and as this book argues its practice has become increasingly contentious Intersecting crises have sharpened social and political polarization and have contracted simultaneously the space for migrant and minority rights as well as the rights around political dissent Building upon social movement and migration studies this book maps the two sides of contentious solidarity a shrinking civic space and its contestation by civil society The book thereby unfolds the variety of repressive means physical legal administrative and discursive employed by governmental and non governmental bodies against migrant solidarity but also looks at how civil society organizations react to these restrictions through at times moderation and at times increasing contention The diagnosis of contentious solidarity is located within two broader trends affecting the relationship between the state and civil society in a neoliberal context in general and since the financial crisis in particular Bridging studies on social movement studies and civil society organizations this volume contributes to recent reflections on repression of social movements as well as of a hybridization of civil society organizations Given its broad scope and the utmost timeliness of the issues it addresses the volume will be of interest to a broad academic and non academic audience
