University Community Engagement and Lifelong Learning Julia Preece, 2017-07-13 This book offers a conceptual re-think of how university community engagement functions as a lifelong learning resource for communities While having a specific focus on the South African context it has important implications for other universities which are concerned with their communities and makes a compelling argument for the university as a public good in spite of current trends towards marketization and commodification of higher education The book draws on a theoretical framework of capabilities asset based community development and the adult learning concept of dialogue to propose a model whereby the boundary walls of the university become metaphorically porous so that community members feel free to interact with the university as equal members of society A historical outline of African universities is provided as well as an exploration of the evolution of terms for community engagement service learning and learning cities and an examination of the policy and practice implications for the ideological model of a porous university

Belonging Ashwin Desai, Goolam Vahed, 2025-09-23 What does it mean to belong Across oceans and centuries this sweeping narrative shuttles between the corridors of the Colonial Office in London the contested streets of Durban and the changing power dynamics within the British Raj The first boatload of indentured Indians arrived in Natal in 1860 Thousands were to follow In haunting

detail the book captures the plight of these labourers as well as the vicious onslaught faced by the merchant class for daring to outpace their colonial rivals At its core are the untold struggles of Indian South Africans as they confront the ever present threat of repatriation Sensitive to shifting political terrains the book weaves together seismic events the independence of India the coming of apartheid and the threat once more of mass expulsions with the texture of everyday life The granting of citizenship in 1961 is accompanied by mass relocations as the Group Areas Act rips communities from their roots Yet out of this despair barren townships on the edges of cities are turned into places of hope In the final chapters the fall of apartheid offers a moment of transcendence Yet it also asks what does it mean at last to belong It is a fascinating story of the global and the local of resistance and collaboration and undefeated optimism This is a book for anyone who has ever sought a place to

Rural Education Across the World Simone White, Jayne Downey, 2021-03-22 This book brings together authors from United States South Africa United Kingdom China Canada and Australia to provide insights and case studies from across a range of contexts to explore the interplay between the notions of rurality innovation and education The book reveals a hopeful and resilient approach to innovative rural education and scholarship collectively and provides important evidence to speak against an often deficit view of rural education Three patterns are revealed namely the importance of place attentive strategies the importance of joined up alliances to maximise resources and networks and finally the need to utilize alternative methodologies and frameworks that have a starting point of difference rather than deficit for any rural initiative or approach By drawing from international examples and responding in innovative ways to rural education challenges this book provides an opportunity to share international insights into innovations interventions and partnerships that promote and support rural education in its broadest sense

Achieving Access Joseph Harris, 2017-09-15 At a time when the world's wealthiest nations struggle to make health care and medicine available to everyone why do resource constrained countries make costly commitments to universal health coverage and AIDS treatment after transitioning to democracy Joseph Harris explores the dynamics that made landmark policies possible in Thailand and Brazil but which have led to prolonged struggle and contestation in South Africa Drawing on firsthand accounts of the people wrestling with these issues Achieving Access documents efforts to institutionalize universal healthcare and expand access to life saving medicines in three major industrializing countries In comparing two separate but related policy areas Harris finds that democratization empowers elite professionals such as doctors and lawyers to advocate for universal health care and treatment for AIDS Harris's analysis is situated at the intersection of sociology political science and public health and will speak to scholars with interests in health policy comparative politics social policy and democracy in the developing world In light of the growing interest in health insurance generated by implementation of the Affordable Care Act as well as the coming changes poised to be made to it Achieving Access will also be useful to policymakers in developing countries and officials working on health policy in the United States

The Formation of Intellectual Capital and Its Ability to Transform Higher Education Institutions

and the Knowledge Society Cardoso Espinosa, Edgar Oliver, 2019-06-28 The knowledge society arises from the combination of four interdependent elements the production of knowledge through research its transmission through education its dissemination through information and communication technologies and its exploitation through innovation For this reason higher education institutions HEIs are the main component of the formation of intellectual capital because they are the key element of the knowledge society so it is necessary that they continue to be the main source of the necessary skills that allow the increase of economic competitiveness sustainability and citizen welfare within the framework of quality education and equity The Formation of Intellectual Capital and Its Ability to Transform Higher Education Institutions and the Knowledge Society is an essential research publication that provides systemic research on the formation of intellectual capital in higher education and its impact on the knowledge society Highlighting topics such as educational programs management strategy and educational studies this book is meant for educators educational technologists students researchers professionals and administrators

Learning Spaces in Africa Ola Uduku, 2018-06-14 With a key UN Sustainable Development Goal for 2030 being to make basic education available to all the world's children Learning Spaces in Africa explores the architectural socio political and economic policy factors that have contributed to school design the main spaces for education and learning in Africa It traces the development of school building design focusing on Western and Southern Africa from its emergence in the 19th century to the present day Uduku's analysis draws attention to the past historic links of schools to development processes from their early 19th century missionary origins to their re emergence as development hubs in the 21st century Learning Spaces in Africa uses this research as a basis to suggest fundamental changes to basic education which respond to new technological advances and constituencies in learning Illustrated case studies describe the use of tablets in refugee community schools hole in the wall learning and shared school community learning spaces This book will be beneficial for students academics and those interested in the history of educational architecture and its effect on social development particularly in Africa and with relevance to countries elsewhere in the emerging world

Innovative Methods for Applied Drama and Theatre Practice in African Contexts Hazel Barnes, Carol Beck Carter, Warren Nebe, 2022-01-27 This book based on components of Drama for Life addresses the subject of innovative methods for applied drama and theatre practice in African contexts It does so by providing chapters that share the rich multilayered and reflexive work that has taken place at Drama for Life from 2008 to the present day It invites the reader to learn from the experiences of Drama for Life as shared by the authors understand the role it has played and continues to play in advocating for and extending the work of Applied Drama and Theatre practice and engage in critical dialogical spaces to examine and interrogate current debates and practices in the field of Applied Drama and Theatre The volume is invaluable for anyone interested in the extensive body of work generated by Drama for Life and its innovative approaches to learning and teaching as well as performing arts practitioners artists teachers people in community

development and service work and anyone involved in researching Applied Drama and Theatre practice particularly in an African context but also globally A Scientific Bibliography of the Far Northern Drakensberg Rodney Moffett, 2023-04-14 This Scientific Bibliography of the Far Northern Drakensberg is a continuation by the Afromontane Research Unit of the University of the Free State ARU to document published and other similar works on the mountains of the summer rainfall area of South Africa It follows A Scientific Bibliography of the Drakensberg Maloti and Adjacent Lowlands which was published in 2020 Moffett 2020 and which covered the area between the North Eastern Cape and the North Eastern Free State The current work extends this northward by including articles and publications dating back to 1875 E Cohen on the Lydenburg goldfields reaching as far as the Wolkberg and Woodbush near Tzaneen in Limpopo Province Figure 1 shows the boundary of the area covered and although referred to as the Far Northern Drakensberg in this work it is identical to that described as the LMEE Limpopo Mpumalanga Eswatini Escarpment by Clarke et al 2022 Although slightly separate from the lower escarpment the mountainous Barberton and adjacent Eswatini area as well as the Leolo Mountains in eastern Sekhukhuneland are also included Details on how the boundary in figure 1 was determined are given in Clark et al 2022 Bibliographies on two further ranges in the summer rainfall area viz the Magaliesberg in Gauteng province and the Soutpansberg in Limpopo province are to be the subject of future compilations

Global Science's Cooperation Opportunities, Challenges, and Good Practices Moussaoui, Mohamed, 2023-07-24 Science diplomacy gives possibilities for international diplomacy and science policy to collaborate to more directly address social and global challenges such as successful diplomatic engagement international scientific coordination and policy coherence in response to the COVID 19 pandemic However most academic scientists lack policy process training networking opportunities with science policymakers and the capacity to use their expertise in the field to advance policy or diplomacy These barriers limit scientists research impact inhibit science policy relations reduce science recommendations and restrict university engagement in national and international contexts The origins of science diplomacy have yet to be closely examined and its current format does not give a clear understanding of how it concretely translates into science policy actions Global Science's Cooperation Opportunities Challenges and Good Practices provides a comprehensive overview of science diplomacy and its evolution in history and analyzes the ways in which politics science and diplomacy intertwine The book also provides a critical review of science diplomacy by exposing its limitations in addressing global challenges and by reflecting on the specific questions relating to the adaptation of the science diplomacy concept to the context of the Global South Covering key topics such as climate change foreign policy and energy consumption this premier reference source is ideal for policymakers government officials politicians industry professionals researchers academicians scholars practitioners instructors and students

Urban Transport XXI C.A. Brebbia, J.L. Miralles i Garcia, V. de Esteban Chapapria, 2015-06-02 Urban Transport XXI contains the proceedings of the 21st International Conference on Urban Transport and the Environment The series of annual conferences

organised by the Wessex Institute was first held in 1995 Transportation in urban areas with its related environmental and social impacts is a topic of significant concern for policymakers in both municipal and central government and for the urban citizens who need effective and efficient transport systems Urban transport systems require considerable studies to devise and then safeguard their operational use maintenance and safety Transportation systems produce significant environmental impacts and can enhance or degrade the quality of life in urban centres Clearly the challenge of providing effective and efficient transport systems in urban settings remains an acute concern with financial political and environmental constraints limiting the ability of transport system planners and operators to deliver the high quality outcomes expected by the public Papers cover such topics as Urban Transport Planning and Management Urban Transport Strategies Public Transport Systems Environmental Aspects Economic and Social Impact Safety and Security Travel Behaviour Studies Customer Satisfaction Transportation Modelling and Simulation Infrastructure Development Intelligent and Advanced Transport Systems Transportation Integration City Logistics Resilience and Inter modal Transport Systems Mass Transport Strategies Social Impacts Freight Transport Railway Systems Transport Governance and Administration Port and City Mobility and Public Space Life Cycle Management

The Biopolitics of Water Sofie Hellberg, 2018-03-28 Biopolitics refers to a form of politics concerned with administering and regulating the conditions of life at an aggregated level of populations This book provides a biopolitical perspective on water governance and its effects It draws on the work of Foucault to explore how notions of scarcity are used in strategies of governance and how such governance differentiates between different populations Furthermore the author investigates what such biopolitical regulation means for people s lifestyles and the way they understand themselves and their moral responsibilities as humans individuals and citizens The book begins by investigating the global water agenda with a particular emphasis on its focus on water for basic needs and provides different examples of hydromentalities around the world It also presents rich empirical details of one local case in South Africa By carefully exploring the water stories of water users the book provides new perspectives on the relationship between water and power Additionally it offers an innovative methodological framework through which we can study the workings of governance more generally and water governance specifically It thereby contributes to the scholarship on water governance in relation to how water governance and technologies are part of producing subjectivities notions of life and lifestyles and more specifically how the global water agenda can work so as to produce or further entrench distinctions between different lives and lifestyles Ultimately such differences between individuals and populations that are produced as an effect of water governance are assessed in relation to social sustainability

Local Officials and the Struggle to Transform Cities Claire Bénit-Gbaffou , 2024-02-27 Why are even progressive local authorities with the will to improve seldom able to change cities Why does it seem almost impossible to redress spatial inequalities deliver and maintain basic services elevate impoverished areas and protect the marginalised communities Why do municipalities in the Global South refuse to work with prevailing

social informalities and resort instead to interventions that are known to displace and aggravate the very issues they aim to address Local Officials and the Struggle to Transform Cities analyses these challenges in South African cities where the brief post apartheid moment opened a window for progressive city government and made research into state practices both possible and necessary In debate with other progressive moments in large cities in Brazil the USA and India the book interrogates City officials practices It considers the instruments they invent and negotiate to implement urban policies the agency they develop and the constraints they navigate in governing unequal cities This focus on actual officials practices is captured through first hand experience state ethnographies and engaged research These reveal day to day practice that question generalised explanations of state failure in complex urban societies as essential malevolence contextual weakness corruption and inefficiency It is hoped that opening the black box of the workings of state opens paths for the construction of progressive policies in contemporary cities

Unsettled History Leslie Witz, Gary Minkley, Ciraj Rassool, 2017-02-27 An engrossing look at how history has been produced contested and unsettled in South Africa from Mandela's release to 2010

Climate Change and the Role of Education Walter Leal Filho, Sarah L. Hemstock, 2019-11-28 This book offers insights into the educational dimensions of climate change and promotes measures to improve education in this context It is widely believed that education can play a key role in finding global solutions to many problems related to climate change Indeed education as a process not only helps young people to better understand and address the impact of global warming but also fosters better attitudes and behaviours to aid efforts towards mitigating climate change and adapting to a changing environment But despite the central importance of education in relation to climate change there is a paucity of publications on this theme Against this background the book focuses on the educational aspects of climate change and showcases examples of research projects and other initiatives aimed at educating various audiences It also provides a platform for reflections on the role education can play in fostering awareness on a changing climate Presenting a wide range of valuable lessons learned which can be adapted and replicated elsewhere the book appeals to educators and practitioners alike

Fundamentals of Port Engineering Koos Schoonees, 2023-12-21 Port engineering primarily deals with the design construction operation management and maintenance of ports overlapping with many other disciplines This book provides an introductory text to prospective graduate port engineers and presents a wide variety of port subjects for practicing engineers It covers almost all topics related to port engineering in a fundamental way including dredging marine aids to navigation environmental issues containers liquid bulk dry bulk general cargo multipurpose roll on roll off Ro Ro fishing and ferry terminals Discussions are targeted at a conceptual design level Other features Aspects of port engineering are discussed including shipping maritime trade environmental aspects such as climate change resilience of ports nature based solutions and port management such as security equipment slurry pumping and so forth Illustrates the design of port terminals Discusses site selection for a new port the factors to be considered and ways to compare different potential port sites

Explores asset management and repair of marine structures Includes case studies from around the world examples and practical and user friendly guidelines **Localizing the SDGs in African Cities** Sylvia Croese,Susan Parnell,2022-07-19

University Of Durban 2015 Prospectus Introduction

In today's digital age, the availability of University Of Durban 2015 Prospectus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of University Of Durban 2015 Prospectus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of University Of Durban 2015 Prospectus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing University Of Durban 2015 Prospectus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, University Of Durban 2015 Prospectus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing University Of Durban 2015 Prospectus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for University Of Durban 2015 Prospectus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, University Of Durban 2015 Prospectus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of University Of Durban 2015 Prospectus books and manuals for download and embark on your journey of knowledge?

FAQs About University Of Durban 2015 Prospectus Books

1. Where can I buy University Of Durban 2015 Prospectus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
