Unlocked An Oral History Of Haden's Syndrome John Scalzi:

Unlocked John Scalzi, 2014-05-07 Discover the history of Haden's Syndrome the virus that created the world of John Scalzi's inventive near future thrillers *Lock In* and *Head On* in the prequel novella *Unlocked* Not long from now a virus will sweep the globe Most will suffer no worse than flu like symptoms but an unlucky one percent will be changed forever Hundreds of millions become locked in awake aware but completely unable to control their bodies This is the story of the doctors scientists engineers politicians and heroes who remade the world It is the story of the chaotic outbreak the fight for a cure the changes that followed It is an oral history straight from the mouths of those who survived the most dynamic period in human history At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Horror Culture in the New Millennium Daniel W. Powell, 2018-11-23 *Horror Culture in the New Millennium* Digital Dissonance and Technohorror explores the myriad ways in which technology is altering the human experience as articulated in horrific storytelling The text surveys a variety of emerging trends and story forms in the field through both a series of critical essays and personal interviews with scholars editors authors and artists now creating and refining horror stories in the new millennium The project posits a rationale for the presence of technohorror as a defining concern in contemporary horror literature marking a departure from the monstrous and spectral traditions of the twentieth century in its depictions of frightful narratives marked by the qualities of plausibility mundanity and surprise as we tell stories about what it means to be human As our culture explores the dichotomies of the born made natural artificial and human computer all while subsumed within a paradigm shift predicated on the transition from the traditions of print to emerging digital communications practices these changes form the basis for horrific speculations in our texts and technologies Ultimately *Digital Dissonance* *Horror Culture in the New Millennium* explores that paradoxical human attraction for peering into the darkness as translated through our lived experiences in an era of rapidly evolving technologies
