Myths of a Merciful God Cynthia Ceilan, 2014-03-21 Poignant riveting full of rage and beauty Cynthia Ceilan's new novel *Myths of a Merciful God* takes us on the unforgettable journey of one woman's quest to overcome unspeakable loss
SYNOPSIS How does one come back from a tragedy as unspeakable as the death of a child *Myths of a Merciful God* is the story of Sarah Miranda a strong independent single mother who is brought to her knees by just such an event Compounding this misfortune are the circumstances surrounding the birth of her little girl as well as Sarah's own troubled past Through the literal and figurative journey upon which Sarah embarks in the aftermath of this unimaginable loss and the people she encounters along the way *Myths of a Merciful God* explores the concepts of divine retribution and intervention versus the gaping silence of an indifferent universe moral turpitude versus the virtue of well kept secrets and whether the absence of religion in a person's life helps hinders or makes no difference in one's ability to find a way back toward wholeness

of an indifferent universe To be sure says author Cynthia Ceilan no one ever emerges from tragedy and loss to resume life as it was before We are changed every day in big ways and small by the events that transpire from one minute to the next from one hour to another Every decision we make between the dawn and the twilight of any ordinary day determines who we become and shows us what we re really made of in all the days that follow one extraordinary moment Despite the sad genesis of Sarah s story it is a tale that never loses sight of hope or our remarkable ability to access and claim our own resilience Book Discussion Guide included in this edition
