**Strong Faith** Pastor Chucks Uzonwanne, 2015-04-17 Strong faith is about developing your faith and making it strong Why do you need to develop grow or make your faith strong You need to develop and make your faith strong because you are a Spirit led person endowed with the ability to recreate your world for the benefit of all people to the glory of Almighty God And this book will show you how to grow your faith from weak faith to little faith to strong faith and at the point when your faith is grown to great faith you are in total control of your destiny This is because strong faith will help you rise above the sea of oblivion by making your faith to arise take charge and control unwanted circumstances and conditions that sink men into the deep dark recesses of uncanny billows of setbacks and failure Strong faith will pick and thrust you out of the dung hills of apathy and empower you with authority to stand tall on the immutable and infallible promises of Almighty Jehovah to confidently speak words that are spirit and life This infers that strong faith being what it is is a revelation in a class of its own which when you adhere apply and practice will metamorphose and sail you on the ocean of the realms of the spirit to always see with the vista of God so you can define align and accomplish purpose This is why strong faith is irresistible revelation that will indefatigably coach you to shed the excess of the physical realm and plug your faith into the spirit realm as you practice daily the activation and unleashing of your faith to gain and accomplish supernatural heights that will cause you to walk victorious in life As the author I recommend strong faith to everyone in the battle field of life that wants to conquer instead of surrender to the enemy's flying bullet of apathy challenges opposition and failure And as you practice and live the dictates of strong faith may your faith be strengthened and strong to overcome in Jesus mighty name Amen Pastor Chucks Uzonwanne Christ House of Destiny Ministries London United Kingdom *A Spiritual Journey to Unwavering Faith* Dave Scelba, 2023-05-19 Almost everyone at some point in their lives questions their faith and or belief in God Even the most learned religious scholars ordained and lay readers and faith based teachers admit to having doubt at times The author wrestled with faith and a belief in God for many years but feels blessed to have experienced a series of life changing events that opened his eyes heart and mind Today he has absolutely no doubt in the existence of God and that there is an afterlife *A Spiritual Journey to Unwavering Faith* is a multi denominational and multi dimensional book written for every reader regardless of their religious backgrounds or spiritual beliefs It details the writer's unique experiences and the purpose in sharing his spiritual journey is to give those with doubt a sense of comfort peace and hope It also provides confirmation and inspiration to those who already have faith and to hopefully strengthen their existing belief The author's spiritual journey began about a year before the passing of his father in law and continued to grow and become stronger with the passing of his father and mother Each died in the author's arms and as they took their last breaths he asked them to please give him a sign or do whatever they could to confirm the existence of God and the afterlife Literally moments after they each passed and many times since each communicated with the author and provided profound signs that were personal connections known

only between themselves Initially the author viewed these After Death Communication ADC signs as sheer coincidences but after experiencing a series of unique strange unexplainable encounters the writer finally realized he was witnessing events that went beyond the obvious or what could be identified by using his five key senses Once he accepted the possibly a higher power was at work he allowed his eyes heart and mind to be opened to a whole new world or realm He also discovered the incredible power of prayer During his research and the discovery process the author read many books that included historical mythology afterlife experiences spiritual enlightenment faith the Old and New Testaments of several different Bible translations excerpts of the Koran Divine interventions and devotionals written by lay persons from around the world He especially enjoyed reading devotionals from people of all walks of life who told their stories through essays that connected to specific scripture Their personal experiences relating to selected scripture were genuine insightful and deeply moving The author found it interesting how philosophies and life recommendations quoted in so many modern day spiritual and self help books and materials are rooted in scripture As the author connected his own personal events to specific scriptures he realized everything he was searching for was already compiled in one comprehensive best selling book of all time the Bible
