Suzuki Verona 2015 Manual:

Commercialisation and Innovation Strategy in Small Firms Tim Mazzarol, Sophie Reboud, Delwyn Clark, Monique Moore, Peter Malone, Geoffrey N. Soutar, 2022-06-30 This book focuses on the process of commercialisation and innovation management in small firms Although commercialisation and new product development NPD has been covered quite extensively relatively little attention has been given to how small to medium enterprises SMEs engage with these issues The book explores this topic in depth taking a close look at the reasons why decisions are made and mapping this behaviour against established theories and best practice models of NPD and commercialisation The book uses case studies to analyse the relationship between entrepreneurial decision making and commercialisation and investigates how and why NPD and commercialisation decisions are made which offers valuable insights from both a theoretical and applied perspective
