Alpha Permanently This steamy werewolf romance contains explicit love scenes Excerpt What is the purpose Why risk your life and do something so very foolish as to cross me the daunting Alpha asked With a slight lift of her upper lip the sorceress pulled the silver dagger out of her bag and approached the daunting Alpha Someone like you wouldn't understand If you don't tell me how do you know I won't he asked swiftly watching the dark sorceress step into the barrier between safety and chaos A feral smile emerged on Xavier's lips His primal urges awakened as the wondrous scent of spring blossoms curled around his senses and teased him with its delicious elements Maya watched him with sharp eyes suspicion collecting in the light depths First of all why do you even care There was a little pause after her words as if he were contemplating her question with the utmost consideration All the while his citrine colored eyes stared directly into her own molten and heated in such an unbearable way that she had to remove her gaze Maya hated the way he stared at her It gave her this insecure feeling of being the lesser of the two as if he were superior to her and would one day make her pay for her insolence She loathed the feeling of being the prey when he was the mighty predator It irked her to no end Because you interest me he said You make me want to know more about you His powerful statement caused goosebumps to litter Maya's skin in sickening amounts She had to stop herself from heaving in disgust Her back straightened and her shoulders squared when she stopped but a foot from him smiling sweetly angelically up at him with those full pouty lips he wanted to map with his own Then she replied to him with a harsh stab of the silver dagger straight through his muscled forearm Your interest is rather strange and unnecessary she replied offhandedly And I would prefer you keep it to yourself or I will do it for you Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured The first few drops pitter pattered in her cup dancing a light rhythm until she twisted the dagger sharply and caused blood to gush down and fill the cup Don't forget Alpha you are my prisoner Cooperate and I will let you go Retaliate and I will let you rot within the very depths of hell she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to Reviews What the readers are saying about this book The story line is truly captivating and absolutely thrilling I love the fact that the main character is not some naive girl who knows nothing She has character This story is soo good I enjoy how Maya isn't the usual goody two shoes She's cunning and she's not afraid to do everything to save her mother regardless of the repercussions She's so badasssss and maaan I just love it It is easily one of the most original plots I have read so far This book is just like quicksand You come here knowing nothing and when you realize it's got a hold of you it's too late you're addicted just like the rest of us This book is so fabulous Best book ever This book is amazing I love the depth of the characters personalities it made them seem real and I loved how we got to know them I recommended this book to a group of 7 friends because I really do just love it and think they'd like it too It's a beautiful story The amount of details just adds more life to it I have read many other authors books but this story and series has attracted me like none

other The amount of suspense anticipation love and hate just encourages me to read the story again and again Every detail just increases a reader s love for the story I really like the story how the characters developed and how the story progressed I have read her other books and I can say that she s a terrific author and I can t wait for her future books Fantastic story by a great author Love reading her books and enjoy how she brings the characters to life I absolutely love this book I have read many werewolf books but this book has a completely different take and it is written exceptionally well I would recommend this book to anyone that enjoys a good read The suspense is perfect The chemistry between them is off the charts and they haven t even properly bonded yet They both are driven which makes dynamics of their soon to be relationship interesting Who will bend and how will they make it work So far this book has captured my imagination right from the first chapter Great writing Thank you I have no doubt that with your writing talents you shall be an established author in no time I can vividly picture the story in my mind The author is truly talented at bringing the characters setting and scenes to life I m aroused and excited at every chapter even in waiting This story just began and I m already craving it like a drug I m even writing a review when it is something that I NEVER do Before reading you just need to know that it is dark so if it is something you don t like this story is not for you But if you could care less and you love romance hot werewolf dominant men and strong women this story is just for you The plot is marvelous and for those like me who read thousand of werewolf s stories its originality is like fresh wind This story is far from the cliché werewolf stories out there I ve only read the first few but it has me hooked The writer is so descriptive that I can picture everything in my mind This story is a must read for anyone who loves a little mystery with their romance Really really reeeeeally great story It s definitely a 10 10
