Coming To America? Muchina,2021-06-07 In Coming to AmericaThe untold truth about living and working in America as an immigrant award winning author Muchina says it s time that someone finally told the bitter truth about what it s like to live and work in America as an immigrant Over a million people migrate to the United States every single year What most of them don t know is that life in America is completely different from the America they

see in the News or movies or American TV shows In Coming To America Muchina talks directly to new immigrants as well as those planning on migrating to the United States in the future With well researched statistics and figures he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home Close to a million immigrants become undocumented every year Muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of Status for various reasons The challenges faced by undocumented immigrants are many but millions of them find ways to get jobs buy cars rent apartments and even start their own businesses The question is How do they do it Those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver s licenses to undocumented residents all found within the pages of this book In the final chapters of the book Muchina shares his story of how his obsession with the pursuit of the American dream cost him everything he owned and nearly destroyed his life in the process He tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences Mostly with his deep understanding of how the American system works he brings the wisdom of knowing What not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in America In his own words Muchina says This book is everything I wish someone had told me when I first came to America So If you re planning to migrate to America this book will help you answer some of the most important questions you may have such as What are the 5 top myths about America What are the top 5 mistakes most immigrants make Is The American Dream possible for an immigrant What will your host expect of you when you get to America Where should you settle in and why How are you expected to behave in America How is America different from where you re coming from What are you going to love about the country and its culture Will you be able to get a job What kind of documents will you need to get a job Will you be able to get work documents if you have a non immigrant visa Will you be allowed and able to get work if you have a non immigrant visa What happens if you overstay your visa What kind of job will you be able to get as an immigrant How much are you likely to get paid for what job How much will it cost you to live in America How much does housing cost What can you or can t you do What kind of bills will you have to pay What kind of taxes will you have to pay How much money will you be able to earn per month How much will you be able to save per month If you wanted to start a business could you What kind of rights will you have as an immigrant How do undocumented immigrants get jobs What kind of work do undocumented immigrants do What jobs pay better than others for immigrants What rights do immigrants have Do undocumented immigrants have any rights What s a social security number and why does everyone need one What if you can t get a social security number because of your immigration status How do you get a driver s license If you go out of status will you be able to get a driver s license Where can you get a driver s license if you overstay your visa What can you expect from friends and relatives when you move to America How should you deal with relatives back home What s a FICO

credit score and how does it determine your success or failure What mistakes are you likely to make that could ruin your life in America Will your foreign university degree get you a job in the United States In part 4 you ll hear the story of the author an immigrant whose life was nearly destroyed in America due to the lack of information such as found in this book In his pursuit of the American dream he made all the wrong mistakes just like so many immigrants and citizens make He hopes to spare you from the same fate so you have a chance to succeed and get yourself a piece of the American Dream *The Personal Life of Debt* Ryan Davey, 2025-05-23 As the cost of living rises British households face unprecedented levels of debt But many commentators characterise those who stash away envelopes leave telephones ringing or hide from debt collectors as irresponsible The first full length ethnography of debt problems in Britain this book uses long term fieldwork on a southern English housing estate to give a sensitive retelling of the everyday lives of indebted people It argues that the inequalities of debt go beyond economic questions to include the way state coercion hinders people s efforts to define what they truly value Indeed from finance to housing and even parenthood the potential for dispossession has become a pervasive method of power that strikes at the heart of personal life **Raise Your Credit Score in No Time** Michael

Rodriguez, 2025-09-07 Want to boost your credit score quickly and open doors to financial freedom **Raise Your Credit Score in No Time** is your step by step guide to building excellent credit avoiding costly mistakes and unlocking the financial opportunities you deserve Inside you ll discover Proven strategies to improve your score fast How to fix errors on your credit report Smart ways to manage credit cards and debt Insider tips for rapid credit score boosts A personalized action plan for long term success Whether you re starting from scratch rebuilding after setbacks or aiming for excellent credit this book gives you the tools to succeed Your financial freedom starts today **Clean Up Your Credit!** Richard Mansfield, 2022-05-15

Bad things happen to good people Events not always under our control can often result in our credit scores going down and sometimes way way down There are consumer protection laws that you can use to remove negative items from your credit report Because of a quirk in the law you can as the author did remove items that really are yours But if you try to go it alone the credit repair journey can be a nightmare This book introduces a step by step credit repair system actual documents the author used to settle suits and legal cases filed in federal courts against major credit bureaus These are the credit repair secrets they really don t want to you to know from someone who successfully challenged the credit reporting industry Contrary to what you may believe there is a way to improve your credit score substantially and this book will help you get there The author was a vice president at Guardian Bank in charge of the collection department and went on to start a collection agency After selling the agency he became a credit restoration coach To prove what he knew in theory could in fact be done he stopped paying everything repossession foreclosure medical bills student loans and credit cards He even filed for bankruptcy His credit score went from over 800 down to 461 He had it back to 742 in five months Mr Mansfield walks you through every step of the credit restoration process As a bonus when you purchase the book there s information on how to

contact Mr Mansfield directly There is no other credit restoration book like this **Delinquent** Elena Botella,2022-10-11
The time before the debt machine How the machine was built The debtor class A broken net The quickest levers Divergent A fair deal The last frontier Transformational lending Appendix A About my research process Appendix B Advice for consumers
