S. Jennsen, 2015-02-25 Space is vast and untamed and it holds many secrets Now two individuals from opposite ends of settled space are on a collision course with the darkest of those secrets even as the world threatens to explode around them or they will be in about 8 years *Restless* is a short story prequel to *Starshine* Book One of the Aurora Rising trilogy Before Alex Solovy was a successful interstellar scout she was building starships and planning for the day when she would fly one she called her own Before Caleb Marano was wiping out the terrorist group who murdered his mentor he was wiping out terrorist groups who murdered shopkeepers and threatened his friends Catch a glimpse of Aurora Rising's heroes while they were still becoming the individuals they will need to be in order to face the galactic threat which for now waits silently in the void Includes an excerpt from *Starshine* Aurora Rising Book One *Restless* was previously published in the collection *Stars Empire 2 10 More Galactic Tales* When faced with its greatest challenge will humanity rise to triumph or fall to ruin Aurora Rising is an epic tale of galaxy spanning adventure of the thrill of discovery and the unquenchable desire to reach ever farther into the unknown It's a tale of humanity at its best and worst of love and loss of fear and heroism It's the story of a woman who sought the stars and found more than anyone imagined possible **The Spectator**, 1879 *World of the Viscerebus - Books 1-3* Oz Mari G., 2024-07-27 The first three books in *World of the Viscerebus* a series of fantasy novels by Oz Mari G now available in one volume The Keeper Leaving behind her life of simple freedom Anza half Erdia half human decides to live openly as a human away from her Viscerebus family Veren is an Iztari a young Viscerebus warrior with something to prove and a path to follow He is tasked to bring Anza back to her family But when their paths cross the two face a difficult choice between her dreams his goals and the love they didn't ask for Dawn Of The Dual Apex Roald's phobia of her kind forces Yuana to keep one more secret from him As Roald struggles to deal with his paralyzing fear he becomes a target of an anonymous Viscerebus Preoccupied with her love Yuana remains unaware that her loyalty and responsibility to her kind is about to be tested An evil scheme engineered by one mysterious Viscerebus is underway one that will upend the world order between humans and Viscerebus Rise Of The Viscerebus Destiny gave Yuana and Roald everything they could ask for in life The one thing they want above all else is the only thing destiny denies them each other She is a Viscerebus He is human Their love cannot thrive in secrecy but her truth can kill To keep the Veil of Secrecy is to disappear from his life forever Then fate ups the stakes *Life in its Lower, Intermediate, and Higher Forms* Philip Henry Gosse, 2025-08-21 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Life in its Lower,*

*Above the Death Pits, Beneath the Flag* Jackie Feldman, 2008 Israeli youth voyages to Poland are one of the most popular and influential forms of transmission of Holocaust memory in Israeli society Through intensive participant observation group discussions student diaries and questionnaires the author demonstrates how the State shapes Poland into a living deathscape of Diaspora Jewry In the course of the voyage students undergo a rite de passage in which they are transformed into victims victorious survivors and finally witnesses of the witnesses By viewing touching and smelling Holocaust period ruins and remains by accompanying the survivors on the sites of their suffering and survival crying together and performing commemorative ceremonies at the death sites students from a wide variety of family backgrounds become carriers of Shoah memory They come to see the State and its defense as the romanticized answer to the Shoah These voyages are a bureaucratic response to uncertainty and fluidity of identity in an increasingly globalized and fragmented society This study adds a measured and compassionate ethical voice to ideological debates surrounding educational and cultural forms of encountering the past in contemporary Israel and raises further questions about the representation of the Holocaust after the demise of the last living witnesses      **Billboard** , 1986-10-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted
