Until I Find You John Irving,2009-02-24 *Until I Find You* is the story of the actor Jack Burns his life loves celebrity and astonishing search for the truth about his parents When he is four years old Jack travels with his mother Alice a tattoo artist to several North Sea ports in search of his father William Burns From Copenhagen to Amsterdam William a brilliant church organist and profligate womanizer is always a step ahead has always just departed in a wave of scandal with a new tattoo somewhere on his body from a local master or scratcher Alice and Jack abandon their quest and Jack is educated at schools in Canada and New England including tellingly a girls school in Toronto His real education consists of his relationships with older women from Emma Oastler who initiates him into erotic life to the girls of St Hilda s with whom he first appears on stage to the abusive Mrs Machado whom he first meets when sent to learn wrestling at a local gym Too much happens in this

expansive eventful novel to possibly summarize it all Emma and Jack move to Los Angeles where Emma becomes a successful novelist and Jack a promising actor A host of eccentric minor characters memorably come and go including Jack's hilariously confused teacher the Wurtz Michelle Maher the girlfriend he will never forget and a precocious child Jack finds in the back of an Audi in a restaurant parking lot We learn about tattoo addiction and movie cross dressing sleeping in the needles and the cure for cauliflower ears And John Irving renders his protagonist's unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches This is an absorbing and moving book about obsession and loss truth and storytelling the signs we carry on us and inside us the traces we can't get rid of Jack has always lived in the shadow of his absent father But as he grows older and when his mother dies he starts to doubt the portrait of his father's character she painted for him when he was a child This is the cue for a second journey around Europe in search of his father from Edinburgh to Switzerland towards a conclusion of great emotional force A melancholy tale of deception **Until I Find You** is also a swaggering comic novel a giant tapestry of life's hopes It is a masterpiece to compare with John Irving's great novels and restates the author's claim to be considered the most glorious comic moving novelist at work today **Until I Find You** Callie Stevens,2024-10-22 [Until I Find You](#) Anna Smith,2022-02-03 Gritty violent and very dark it is a real page turner I loved the character of Billie Carlson Patricia Gibney This nail biting Glasgow set crime thriller introduces Billie Carlson an ex cop turned Private Investigator WHEN YOU'VE LOST EVERYTHING YOU'LL STOP AT NOTHING Billie Carlson left the police force under a cloud Once a promising young officer she now works as a private investigator rooting out insurance scams and spying on cheating spouses One morning a distraught young woman comes into her office saying that her baby has been stolen Her story seems unbelievable yet something about her makes Billie want to help Billie knows what it's like to lose someone too To get to the bottom of the case Billie must rattle some dangerous cages and rely on old police friends for inside help Soon she discovers a network of crime deeper and far more twisted than she ever could have imagined But is she in way over her head A rattling good start to the series Trevor Wood What a standout don't mess with me character The story had me hooked from start to finish Dreda Say Mitchell
