Dept. of Science and Art,1897 **The Irish Administration** R. B. McDowell,2024-10-01 The developments and achievements of the Irish administration overshadowed by the more spectacular aspects of Irish history have received comparatively little attention But Irish conditions in the 19th Century encouraged and compelled the state to exert itself on a more extensive front than in contemporary England and a number of government departments played a very active and often creative part in Irish social and economic life In this work originally published in 1964 and based on a wide range of printed and manuscript sources the author shows how the administrative structure was drastically rationalised and modernised The author is also interested both in the work the administration performed and the men who staffed it The Irish administration during the century came into contact with many different aspects of Irish society

Hindi Is Our Ground, English Is Our Sky Chaise LaDousa, 2014-01-01 A sea change has occurred in the Indian economy in the last three decades spurring the desire to learn English Most scholars and media venues have focused on English exclusively for its ties to processes of globalization and the rise of new employment opportunities The pursuit of class mobility however involves Hindi as much as English in the vast Hindi Belt of northern India Schools are institutions on which class mobility depends and they are divided by Hindi and English in the rubric of medium the primary language of pedagogy This book demonstrates that the school division allows for different visions of what it means to belong to the nation and what is central and peripheral in the nation It also shows how the language medium

division reverberates unevenly and unequally through the nation and that schools illustrate the tensions brought on by economic liberalization and middle class status
