Till Eulenspiegel Op 28 Richard Strauss:

Richard Strauss Bryan Gilliam, 1997 As we approach the fiftieth anniversary of Richard Strauss's death scholarly interest in the composer continues to grow Despite what was once a tendency by musicologists to overlook or deny Strauss's importance these essays firmly place the German composer in the musical mainstream and situate him among the most influential composers of the late nineteenth and early twentieth centuries Originally published in 1992 this volume examines Strauss's life and work from a number of approaches and during various periods of his long career opening up unique corridors of insight into a crucial time in German history Contributors discuss Strauss as a young composer steeped in a conservative instrumental tradition as a brash young modernist tone poet of the 1890s as an important composer of twentieth century German opera and as a cultural icon manipulated by the national socialists during the 1930s and early 1940s Individual essays use Strauss's creative work as a framework for larger musicological questions such as the tension between narrative and structure in program music the problem of extended tonality at the turn of the century stylistic choice versus stylistic obligation and conflicting perspectives of progressive versus conservative music This collection will interest Strauss scholars musicologists and those interested in the artistic and cultural life of Germany from 1880 through the Second World War Contributors Kofi Agawu G nter Brosche Bryan Gilliam Stephen Hefling James A Hepokoski Timothy L Jackson Michael Kennedy Lewis Lockwood Barbara A Peterson Pamela Potter Reinhold Schl tterer R Larry Todd *Gustav Mahler--Richard Strauss* Gustav Mahler, Richard Strauss, 1996-06-15 Gustav Mahler and Richard Strauss came to know one another as young conductors in Leipzig in 1887 From then until Mahler's death in 1911 the year of the first performance of *Der Rosenkavalier* they kept in touch Mahler himself described their relationship as that of two miners tunneling from opposite directions with the hope of eventually meeting This first publication of their correspondence which includes twenty five previously unknown Strauss letters offers a portrait of two men who were as antithetical in their musical means and goals as in their temperaments and personalities but who exercised a strong fascination for one another These sixty three letters show both composers advancing in their careers as they battled against adverse conditions in the musical world at the turn of the century They present Mahler's energetic support of Strauss's *Symphonia Domestica* which Mahler conducted in 1904 and in turn Strauss's championing of Mahler's music especially the Second and Third Symphonies The correspondence is fully annotated and is supplemented with a major essay by Herta and Paul Amirian Unfailing An indispensable addition to the literature on these composers Norman Del Mar Times Literary Supplement *Ein Heldenleben* Richard Strauss, 2002-01-01 This companion piece to *Don Juan* demands a huge orchestra eight horns five trumpets quadruple woodwinds and a powerful complement of percussion and strings At the center of the story stands Strauss himself a besieged composer who goes to war with the critics in a mighty orchestral battle **Richard Strauss** Norman Del Mar, 2013-12-19 Norman Del Mar 1919 1994 was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his
