Topic: Literature | Words: 899 | Pages: 3

The nature of war is excruciatingly difficult to understand, being both disturbingly simplistic in its raw violence and unbearably complicated in the multitude of lives that it consumes and the intricate emotional responses that people build toward it. The Vietnam War is one of the best – or, to be more accurate, worst – examples of the described concept, having ruined the lives of thousands of people and leaving disturbing aftermath of confusion and community trauma. In his collection of stories about the Vietnam War, “The Things They Carried,” Tim O’Brien examines the complex relationships between the personal perceptions of the people entangled in it and the nature of the Vietnam War, creating a vignette of snippets of life as they are told through the lens of soldiers. The titular story, “The Things They Carried” addresses the themes of alienation and perception as the key phenomena shaped by the Vietnam War within American society by emphasizing the uncompromising attitudes of the protagonist, which cause a rise in alienation as experienced by the lead character, Norman, and the subsequent change in perception.

The increase in alienation becomes apparent in the novel from the very moment when Norman. The leading character of the story enters the scene. Depicting his return to now peaceful American society, the narrative paints Norman as tremendously damaged by the war to the point where he is incapable of adjusting to the reality of everyday life (Mahini et al. 1284). Thus, the process of alienation begins, being incited not by the harshness and the lack of understanding within the community, but by the war itself. In fact, the very name “Norman”

The Things They Carried Tim O'Brien, 1990 One of the first questions people ask about *The Things They Carried* is this Is it a novel or a collection of short stories The title page refers to the book simply as a work of fiction defying the conscientious reader's need to categorize this masterpiece It is both a collection of interrelated short pieces which ultimately reads with the dramatic force and tension of a novel Yet each one of the twenty-two short pieces is written with such care emotional content and prosaic precision that it could stand on its own *The Things They Carried* depicts the men of Alpha Company Jimmy Cross Henry Dobbins Rat Kiley Mitchell Sanders Norman Bowker Kiowa and of course the character Tim O'Brien who has survived his tour in Vietnam to become a father and writer at the age of forty-three They battle the enemy or maybe more the idea of the enemy and occasionally each other In their relationships we see their isolation and loneliness their rage and fear They miss their families their girlfriends and buddies they miss the lives they left back home Yet they find sympathy and kindness for strangers the old man who leads them unscathed through the mine field the girl who grieves while she dances and love for each other because in Vietnam they are the only family they have We hear the voices of the men and build images upon their dialogue The way they tell stories about others we hear them telling stories about themselves With the creative verve of the greatest fiction and the intimacy of a searing autobiography *The Things They Carried* is a testament to the men who risked their lives in America's most controversial war It is also a mirror held up to the frailty of humanity Ultimately *The Things They Carried* and its myriad protagonists call to order the courage determination and luck we all need to survive In 1979 Tim O'Brien's *Going After Cacciato* a novel about the Vietnam War won the National Book Award In this his second work of fiction about Vietnam O'Brien's unique artistic vision is again clearly demonstrated Neither a novel nor a short story collection it is an arc of fictional episodes taking place in the childhoods of its characters in the jungles of Vietnam and back home in America two decades later
