Time S Potential Power Parables 14:

Parables for Our Time Tania Oldenhage, 2010-04-10 Over the centuries New Testament texts have often been read in ways that reflect and encourage anti-Semitism. For example, the parable of the wicked husbandmen who kill the son of their landlord in order to seize the land has been used to blame the Jews for the death of Christ. Since the Holocaust, Christian scholars have increasingly recognized and rejected this inheritance. In *Parables for Our Time*, Tania Oldenhage seeks to fashion a biblical hermeneutics that consciously works with memories of the Holocaust. New Testament scholars have not directly confronted the horror of Nazi crimes, Oldenhage argues, but their work has nonetheless been deeply affected by the events of the Holocaust. By placing twentieth-century biblical scholarship within its specific historical and cultural contexts, she is able to trace the process by which the Holocaust gradually moved into the collective consciousness of New Testament scholars both in Germany and in the United States. Her focus is on the scholarly interpretation of the parables of Jesus. She sets the stage with the work of Wolfgang Harnisch, who exemplifies the problems surrounding Holocaust remembrance in Germany of the 1980s and 1990s. She then turns to Joachim Jeremias's eminent work on the parables, first published in 1947. Jeremias's anti-Jewish rhetoric, she argues, should be understood not only as a perpetuation of an age-old interpretive pattern but as representative of German difficulties in responding to the Holocaust immediately after the war. Oldenhage goes on to explore the way in which Jeremias's approach was challenged by biblical scholars in the U.S. during the 1970s. In particular, she examines the turn to literature and literary theory exemplified in the works of John Dominic Crossan and Paul Ricoeur. Nazi atrocities became part of the cultural reservoir from which Crossan and Ricoeur drew; she shows, although they never engaged with the historical facts of the Holocaust. In conclusion, Oldenhage offers her own reading of the parable of the wicked husbandmen, demonstrating how the turn from historical to literary criticism opens up the text to interpretation in light of the Holocaust. If the parables are to be meaningful in our time, she contends, we must take account of the troubling resonances between these ancient Christian stories and the atrocities of Auschwitz.

Parables for the Virtual Brian Massumi, 2021-08-30 Since its publication twenty years ago, Brian Massumi's pioneering *Parables for the Virtual* has become an essential text for interdisciplinary scholars across the humanities. Massumi views the body and media such as television, film, and the internet as cultural formations that operate on multiple registers of sensation. Renewing and assessing William James's radical empiricism and Henri Bergson's philosophy of perception through the filter of the postwar French philosophy of Deleuze, Guattari, and Foucault, Massumi links a cultural logic of variation to questions of movement, affect, and sensation. Replacing the traditional opposition of literal and figural with distinctions between stasis and motion and between actual and virtual, Massumi tackles related theoretical issues by applying them to cultural mediums as diverse as architecture, body art, the digital art of Stelarc, and Ronald Reagan's acting career. The result is an intriguing combination of cultural theory, science, and philosophy that asserts itself in a crystalline and multifaceted argument. This twentieth anniversary edition includes a

new preface in which Massumi situates the book in relation to developments since its publication and outlines the evolution of its main concepts It also includes two short texts Keywords for Affect and Missed Conceptions about Affect in which Massumi explicates his approach to affect in ways that emphasize the book's political and philosophical stakes **Sunday School Times**, 1888 **Signs of the Times** Herbert W. Byrne, 2007 **Obedience, Suspicion and the Gospel of Mark** Lydia Marlene Harder, Lydia Neufeld Harder, 1998-10-26 Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community She begins by clarifying the theological convictions and the discourse patterns in each of the hermeneutic communities that have shaped her own approach to the Bible A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority **BOOK JACKET Bradstreet's Weekly**, 1928 **The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation** Ramesh Khatri, 2000-07 This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the dandelion Mt 13 24 30 and its interpretation Mt 13 36 43 The interpretation in particular is almost universally regarded as non dominical notably by J Jeremias and his followers My thesis argues that the whole of Mt 13 36 43 and Mt 13 24 30 should be seen as dominical The introduction gives a brief survey of parabolic studies and outlines the case against the authenticity of Mt 13 24 30 36 43 Chapter AI defends the authenticity of the parable Mt 13 24 30 The following chapters do the same for the interpretation Mt 13 36 43 looking at the Son of Man and related teaching chapter BI the kingdom of God BII righteousness and lawlessness BIII and other motifs BIV and finally the question of the coherence of the parable and its interpretation BV My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and b a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13 24 30 36 43 has not been attempted before But we have also brought to bear various insights canvassed in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation **Puzzling the Parables of Jesus** Ruben Zimmermann, 2015-11-02 Modern scholarship on the parables has long been preoccupied with asking what Jesus himself said and what he intended to accomplish with his parables Ruben Zimmermann moves beyond that agenda to explore the

dynamics of parabolic speech in all its rich complexity Introductory chapters address the history of research and distinguish historical from literary and reader oriented approaches then set out a postmodern hermeneutic that analyzes narrative elements and context maps the sociohistorical background explores stock metaphors and symbols and opens up contemporary horizons of interpretation Subsequent chapters then focus on one parable from early Christian sources Q Mark Matthew Luke John and the Gospel of Thomas to explore how parables function in each literary context Over all reigns the principle that the meaning or theological message of a parable cannot be extracted from the parabolic form thus the parables continue to invite hearers and readers involvement to the present day

Why Jesus? Betsy Cosmos, 2024-11-18 Jesus said I am the way and the truth and the life No one comes to the Father except through me The thinking person may ask Isn't that pretty exclusionary If God is love why does He allow only one path Jesus made startling statements that can cause us to wonder Do I have to love him more than my family Do I have to give up the fun things in life Do I have to suffer Should I give away everything I own to help others Do I have to accept things that don't make sense If you're an atheist or skeptic these questions could push you away from Christianity If you are a Christian you may feel guilty because you're not completely dedicated The truth is God has made it simple so we don't get lost on dangerous detours Following Jesus offers life overflowing with riches joy confidence and power a fulfilling life with a heart bathed in peace How did one man accomplish so much for all of humanity There are surprising details found in the Word of God that remain unknown or misunderstood even by pastors and faithful Christians There are strange ideas that Christians have adopted over the centuries that are not based on the truths in God's Word The Bible is logical It makes sense Come and meet the man Jesus who is called the Savior of the world Discover Why Jesus
