Time For Frankie Coolin A Novel:

Time for Frankie Coolin Bill Granger, 2014-11-06 The acclaimed journalist and author delivers a raw and vivid slice of Chicago in a novel that explores the changing tide of race class and politics The New York Times Time for Frankie Coolin is the story of a plasterer turned landlord in Chicago who in the late 1970s buys abandoned buildings and makes them just habitable enough to charge minimal rent from his mostly black tenants In this way Frankie is able to move his family to a house in the suburbs But Frankie's well ordered life comes apart when a casual favor for a cousin combined with a random act of arson set in motion a cascade of crises Suddenly Frankie's up against menacing G men and threats of prison if he doesn't talk But since talking has never been one of Frankie's strengths he copes as he always has by trying to tough it out on his own Time for Frankie Coolin is both a psychological thriller and a 70s Chicago period piece that shines a surprisingly sympathetic light on the often overlooked people who lived worked and died at the city's margins This edition includes a foreword by Bill Savage

The New York "Yanquis" Bill Branger, 2012-02-06 In a delightful baseball fable the owner of the New York Yankees decides to fire his overpriced ballplayers who make a sorry showing year after year and hire a team of hard playing baseball loving Cubans

The Irish Voice in America Charles Fanning, 2014-07-11 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience

The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In The Chicago of Fiction A Resource Guide James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information

about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *The Mammoth Encyclopedia of Modern Crime Fiction* Michael Ashley,2002 A reference and overview of the genre of crime fiction primarily covering the 1950s onwards although major earlier writers such as Agatha Christie and Raymond Chandler also have entries **American Bookseller** ,1981 **The Publishers Weekly** ,1982 *The Dramatists Guild Quarterly* ,1982 Novel Openers Bruce L.
