FCC Record United States. Federal Communications Commission, 2016 *TV Guide* , 2007 **Seasons of "The O.C."** ,
Teaching Information Literacy Skills to Social Sciences Students and Practitioners Douglas Cook, Natasha Cooper, 2006
Teaching Information Literacy to Social Sciences Students Practitioners is a second discipline based casebook from ACRL
This volume is based on the ACRL Information Literacy Competency Standards and presents cases on learning situations and
how they can be analyzed and addressed Also included are descriptions of instruction sessions for each case notes and
teaching resources Each case explicitly reflects one or more of the ACRL Information Literacy Standards This practical
collection of cases and applications brings a new set of resources to librarians doing instruction in the social sciences
Contributors cover such topics as data literacy visual literacy and developmental research skills training Information on
teaching undergraduate graduate and international students and how to incorporate information literacy into various social
science curricula are also presented **Television & Cable Factbook** , 2009 **Billboard** , 2004-02-21 In its 114th year
Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing
platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming
media digital and mobile entertainment issues and trends **Nickelodeon Nation** Heather Hendershot, 2004-02 The first
examination of the most popular tv network for kids Essays are both scholars as well as journalists Nick employees and
psychologists **Sidney Poitier** Aram Goudsouzian, 2011-01-20 In the first full biography of actor Sidney Poitier Aram
Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for
lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol
his life and career illuminate America s racial history In such films as *Lilies of the Field* *In the Heat of the Night* and *Guess
Who s Coming to Dinner* Poitier s middle class mannered virtuous screen persona contradicted prevailing film stereotypes of
blacks as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration
assuaged the fears of a broad political center and by 1968 Poitier was voted America s favorite movie star Through careful
readings of every Poitier film Goudsouzian shows that Poitier s characters often made sacrifices for the good of whites and
rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions
that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics
and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his
considerable talents toward directing starring in and producing popular movies that employed many African Americans both
on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has
reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in
Hollywood As this biography affirms Poitier remains one of American popular culture s foremost symbols of the possibilities
