Nicole Treadwell, 2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it s true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she s afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can t save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chumb and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do

love terror happiness and trust functioned as social and economic capital for slaveholders and enslaved people alike The daily interactions that occurred between slaveholders and enslaved people around emotions in conjunction with larger debates about race and freedom form the backbone of what Erin Austin Dwyer calls the emotional politics of slavery Race and status determined which emotions were permissible or punishable which should be restrained and by whom As a result mastering emotions one s ability to control one s own feelings and those of others was paramount for slaveholders and enslaved The emotional politics of slavery were thus fashioned by enslaved people and slaveholders together through the crucible of slavery Emancipation was a seismic shift in the affective landscape of the antebellum South Though the end of the Civil War rendered moot the debate over how to emotionally maintain slavery the lingering conflict over whether the emotional strictures governing the South would be based on race or free status had serious repercussions particularly for free Black people The postwar rise of legal and extralegal attempts to affectively control free Black people underscored the commitment of elite White Southerners to preserving the power dynamics of the emotional politics of slavery by any means necessary Mastering Emotions concludes by detailing how the long term legacy of those emotional politics reverberated through Reconstruction and the Jim Crow eras The Psalms of David Isaac Watts, 1803 The New York Times Practical Guide to Practically Everything Amy D. Bernstein, Peter W. Bernstein, 2006-10-17 A collection of information on aspects of daily life and a variety of popular topics such as the home health animals nature sports and entertainment
