victims when Augie learns of them Charley like Augie listens to a lot of local talk radio Augie hears Charley inadvertently say things that link him to the murders And by the condition of the bodies which rise to the number of ten over three years Augie determines that Charley is the killer The book also tells the story of local and international R B singer Teddy Pendergrass who has a car accident and is paralyzed His story post accident fits into this theme of faith rehabilitation and hope Area Wage Survey ,1988 *California.
