

Essay on My Best Friend

My best friend is Srishti Rawat. She and I are in the same class: 5th B. We share a special bond that enriches our lives with joy and laughter. She is smart, intelligent, good-natured and very supportive towards me.

I remember the first day when I met Srishti. It was my first day in Class 5, and I was scared as I was new to this school. But Srishti was very kind to me. She introduced herself and asked my name, we started sitting together and even had lunch.

Since then, every day at school, Srishti and I sit, study, eat and play together. She even helps me with my Mathematics homework, and I teach her how to play badminton.

The most exciting thing about our friendship is the unconditional support we have for each other. Whenever I'm feeling down or facing a tough situation, my best friend, Srishti is always there to lend a listening ear and offer words of encouragement.

I want to thank god for gifting me with such a supportive and admirable friend. I couldn't ask for anything more. I hope everyone has a best friend like I do.
