seeds of greatness that are our inheritance Then God s command to Joshua is used as a foundation for eight secrets of success An example of the mental principles you need to apply covers the record of the 12 spies unnecessary journey into the Promised Land You will learn that you are IN dependent when you have Christ within not co dependent on others You really can be a victor not a victim When you grasp these truths then you can excel in everything Love for the Aching Heart Bishop David E. Lewis,2015-02-25 The purpose of this book is to give an overview of the power of the love of God to those who are aching and craving for it and how we can help them reach their full potential in Christ The church of the Living God has a tremendous responsibility to share his love to this dying world Many people think that God doesnt love them so they express the idea that people think that they are not important They believed God thinks of them in the same way Therefore this book is written to let them know that God loves them regardless of their status in life In order for us to operate in the spirit of love the Holy Spirit must purify our hearts and motivate us to assist and respond to the situation of others However you must have a desire to love for love is a choice you must make If you love you must demonstrate the spirit of forgiveness The first stage of forgiveness is the decision not to try to inflict a reciprocal amount of pain on anyone who caused you hurt When I forgive you I give up the right to hurt you back When you hold fast to run unforgiving spirit toward another person you tend to believe only bad things about them You might think of them only in terms of the hurt they caused you and you want to forget their humanity This book sets forth the principle of love for those who are aching for it and teaches us to forgive as Christ also forgave us You must be wholly submissive to the leading of the Holy Spirit **Books In Print** **2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *THE UNGODLY ARE NOT SO* Ross Thompson,2020-10-02 A strange phenomenon exists on Earth Multitudes without God in their lives The Bible has a name for them the ungodly It simply means a life without God A life empty of God The Bible also calls them the lost It is not supposed to be that way We were created and designed for better things Many people have no idea what is in the Bible Yet it is the book God has given us to direct us too and educate us about Him This book discusses what the Bible says about the ungodly The author s qualification is that he was an ungodly and lost person for many years with no clue about the contents of the Bible God is making Himself known to ungodly people all over the Earth He is offering a relationship with Himself through the salvation in His Son Jesus Christ This book has true stories of ungodly men and women whose lives were revolutionised by encounters with Jesus Christ God s book has a lot to say too the ungodly The Bible declares Jesus came to look for and save the lost He has been doing it for two thousand years He is still doing it today Who is Jesus Christ How do I make contact with God What does God think of me What happens to me when I die Why so many Bibles Why should I have a relationship with God What is the true condition of the ungodly The Bible answers these questions This book is a brief introduction to what God is saying to you in His book the Bible **I'm Alive** James Peter Jandu,2024-08-22 Truly unique T L Osborn And the Lord said father him well Archbishop Benson Idahosa A modern day Smith Wigglesworth with a difference James Peter Jandu He established one of the most

successful and influential global ministries based in the United Kingdom Bishop Michael Reid is a name that might have been forgotten if not for the extraordinary journey recounted in this book In a dim world he shone brightly as a modern day apostle of Jesus Christ In recognition of his service to global Christianity he was honoured with an award from Oral Roberts University From humble beginnings this is the miraculous story of a life chosen and guided by a divine hand It is a tale of betrayal so dark that it will send shivers down the spine of even the most hardened soul He supported others when they committed identical spiritual crimes they crucified him when he did twisting the knife without tears Finally after sealing off the scene of the spiritual crime they concealed the evidence with a web of deceit But his story does not end there it s an eternal story one that will never diminish The pages of this book are a testimony to the faithfulness of God I have met numerous Christian leaders and have listened to and read about many more However I have not met anyone who grasps the ways of God quite like Bishop Michael Reid Every Christian and minister should read this biography His story is like attending a school of ministry and an epistle of life in Christ Be prepared to shed tears over the heartaches and rejoice with laughter at the victories James Peter Jandu **All Things Are Possible** David Edwin Harrell,1979-01-21 The first book to tell the story of the enterprisers who have personal followings a missing link in the chain of American religious movements Martin E Marty author of October 31 1517 Martin Luther and the Day that Changed the World Written by a Professor Emeritus at Auburn University this is the first objective history of the great revivals that swept the country after World War II It tells the story of the victories and defeats of such giants of the revival as William Branham Oral Roberts Jack Coe T L Osborn and A A Allen It also tells of the powerful evangelists who carried on the revival including Robert Schambach and Morris Cerullo Those who lived through the great revivals of the 1950s and 1960s will be thrilled to read about those exciting days and those interested in the religious history of the United States need to read this book to see what has led us up to this present moment in time Harrell has obviously attended countless rallies read sheafs of literature and personally interviewed many of the principals He tell s the story in a largely biographical format This makes for lively reading The New York Times Book Review A book about healing revivalists that takes them seriously and treats them fairly Journal of Southern History Will be a definitive work for some years to come Reviews in American History Will attract readers interested in the reasons behind the various fat and lean periods among revivalists Publishers Weekly Harrell s book will doubtless be the definitive work on the subject for a long while who else will wade through Healing Waters and Miracle Magazine with such fastidious care Kirkus Reviews THE BEST OF THE KAMBULOW walter kambulow,2003-06-01 As for God His way is perfect The word of the LORD is proven He is a shield to all who trust in Him For who is God except the LORD And who is a rock except our God It is God who arms me with strength And makes my way perfect He makes my feet like the feet of deer And sets me on my high places He teaches my hands to make war So that my arms can bend a bow of bronze You have also given me the shield of Your salvation Your right hand has held me up Your gentleness has made me great Psalm 18 30 35 The book is the
