Copping,2009 While old MkI Golfs have by now largely rusted away the availability of MkII models at giveaway prices is
plentiful that is until three magic letters GTI appear on the car s front grille and hatch Find a good example of the MKI with
the aid of this guide and you are in clover The Buyer s Guide carefully charts all the models that an enthusiast just has to own

from the iconic late model MkI with its pocket rocket 1.8 litre engine and 5 speed box through to the exclusive extremely powerful and much sought after limited edition Rallye Golf. With both mileage and particularly condition having a marked affect on potential prices the authors give sound advice on what is worth restoring and what however tempting is likely to cost a new owner an unrecoverable fortune. Weak points, rust traps and potential mechanical defects are laid out for the reader with clear Golf specific guidelines offered on the practicalities of rectifying such problems. The authors also embrace both the customized and mechanically modified examples of the MkI and MkII GTI with each aspect of Golf ownership meticulously captured on camera.

VW Golf Richard Copping, 2023-07-15. The revealing inside story of one of the world's most successful cars. This book is a revealing analysis of the first four versions of the Volkswagen Golf.
