Rereading Appalachia Sara Webb-Sunderhaus, Kim Donehower, 2015-12-18 Appalachia faces overwhelming challenges that plague many rural areas across the country including poorly funded schools stagnant economic development corrupt political systems poverty and drug abuse Its citizens in turn have often been the target of unkind characterizations depicting them as illiterate or backward Despite entrenched social and economic disadvantages the region is also known for its strong sense of culture language and community In this innovative volume a multidisciplinary team of both established and rising scholars challenge Appalachian stereotypes through an examination of language and rhetoric Together the contributors offer a new perspective on Appalachia and its literacy hoping to counteract essentialist or class based arguments about the region's people and reexamine past research in the context of researcher bias Featuring a mix of traditional scholarship and personal narratives *Rereading Appalachia* assesses a number of pressing topics including the struggles of first generation college students and the pressure to leave the area in search of higher quality jobs prejudice toward the LGBT community and the emergence of Appalachian and Afrilachian art in urban communities The volume also offers rich historical perspectives on issues such as the intended and unintended consequences of education activist Cora Wilson Stewart's campaign to promote literacy at the Kentucky Moonlight Schools A call to arms for those studying the heritage and culture of

Stirring the Pot Laura Sloan Patterson, 2014-01-10 The term domesticity may bring to mind cooking cleaning and tranquil evenings at home During the last few decades however American domesticity has become ever more politicized as third wave feminists conservative critics and others debate the very meaning of home and family Despite this new wave of debate the home particularly the kitchen is comfortable territory for the consolidation of issues of gender space marketplace community and technology in twentieth century literature This work looks closely at a wide variety of southern domestic literature focusing particularly on the role of the family kitchen as a driving force in the narratives of Ellen Glasgow Eudora Welty Lee Smith and Toni Morrison Topics include the overtones of isolation and the almost claustrophobic third person narration of Glasgow's *Virginia* and *Life and Gabriella* the communal kitchen and its role in defining the sexual discourse of Welty's *Delta Wedding* the unification of national railway lines and its consequences for the traditional Appalachian kitchen in Smith's *Oral History* and *Fair and Tender Ladies* and the lasting effects of slavery on the haunted domesticity of the African American kitchen in Morrison's *Jazz Paradise* and *Love*

Still in Print Jan Nordby Gretlund, 2013-01-23 An insightful guidebook to some of the best examples of modern Southern fiction as selected by an international group of critics In *Still in Print* eighteen southern novels published since 1997 fall under the careful scrutiny of an international cast of accomplished literary critics to identify the very best of recent writings in the genre These essays highlight the praiseworthy efforts of a pantheon of novelists celebrating and challenging regionality unearthing manifestations of the past in the present and looking to the future with wit and healthy skepticism Organized around shared themes of history place humor and malaise the novels discussed here interrogate southern culture and explore the region's promise for the future Four novels reconsider the Civil War and its aftermath as Charles Frazier Kaye Gibbons Josephine Humphreys and Pam Durban revisit the past and add fresh insights to

contemporary discussions of race and gender through their excursions into history The novels by Steve Yarbrough Larry Brown Chris Offutt Barry Hannah and James Lee Burke demonstrate a keen sense of place rooted in a South marked by fundamentalism poverty violence and rampant prejudice but still capable of promise for some unseen future The comic fiction of George Singleton Clyde Edgerton James Wilcox Donald Harington and Lewis Nordan shows how southern humor still encompasses customs and speech reflected in concrete places Ron Rash Richard Ford and Cormac McCarthy probe the depths of human existence often with disturbing results as they write about protagonists cut off from their own humanity and desperate to reconnect with the human race Diverse in content but unified in genre these particular novels have been nominated by the contributors to *Still in Print* for long term survival as among the best modern representations of the southern novel Featuring M Thomas Inge on Charles Frazier's *Cold Mountain* Clara Juncker on Josephine Humphreys's *Nowhere Else on Earth* Kathryn McKee on Kaye Gibbons's *On the Occasion of My Last Afternoon* Jan Nordby Gretlund on Pam Durban's *So Far Back* Tara Powell on Percival Everett's *Erasure* Tom Dasher on Steve Yarbrough's *The Oxygen Man* Jean Cash on Larry Brown's *Fay* Carl Wieck on Chris Offutt's *The Good Brother* Owen W Gilman Jr on Barry Hannah's *Yonder Stands Your Orphan* Hans H Skei on James Lee Burke's *Crusader's Cross* Charles Israel on George Singleton's *Work Shirts* for *Madmen* John Grammer on Clyde Edgerton's *The Bible Salesman* Scott Romine on James Wilcox's *Heavenly Days* Edwin T Arnold on Donald Harington's *Enduring* Marcel Arbeit on Lewis Nordan's *Lightning Song* Thomas rvoid Bjerre on Ron Rash's *One Foot in Eden* Robert H Brinkmeyer Jr on Richard Ford's *The Lay of the Land* Richard Gray on Cormac McCarthy's *The Road* **The Arts on Television, 1976-1990** Rebecca Krafft, 1991 *Conversations with Kentucky Writers*, 1996

Conversations with Kentucky Writers Linda Elisabeth LaPinta, 2014-10-17 Kentucky and Kentuckians are full of stories which may be why so many present day writers have Kentucky roots Whether they left and returned like Wendell Berry and Bobbie Ann Mason or adopted Kentucky as home like James Still and Jim Wayne Miller or grew up and left for good like Michael Dorris and Barbara Kingsolver they have one connection Kentucky has influenced their writing and their lives L Elisabeth Beattie explores this influence in twenty intimate interviews *Conversations with Kentucky Writers* was more than three years in the making as Beattie traveled across the state and beyond to capture oral histories on tape Her exhaustive knowledge of these authors helped her draw out personal revelations about their work their lives and the nature of writing When Still concludes his interview with I believe I've told you more than anybody he could be speaking for any of Beattie's subjects Aspiring writers will learn that Mason submitted twenty stories to the *New Yorker* before one was accepted and that Still wrote articles for Sunday school magazines There's plenty of advice Dorris tells budding authors to get real jobs keep journals and read everything even cereal boxes and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living Kingsolver advises Read good stuff and write bad stuff until eventually what you're writing begins to approximate what you're reading Beattie's collection includes striking self portraits of such writers

as Sue Grafton Leon Driskell James Baker Hall Fenton Johnson George Ella Lyon Taylor McCafferty Ed McClanahan Sena Naslund Chris Offutt Lee Pennington and Betty Layman Receveur What most distinguishes these moving conversations from other author interviews is their focus on creativity on the teaching of writing and on the authors strong sense of place As Wade Hall writes in his foreword all twenty writers recognize that their works have been significantly influenced by their Kentucky experience This collection offers insights into Kentucky s rich and flowering literary heritage Pittsburgh History,1996 **Our Young Family** Perry Deane Young,2003 Thomas Young was born in about 1747 in Baltimore County Maryland He married Naomi Hyatt daughter of Seth Hyatt and Priscilla in about 1768 They had four children Thomas died in 1829 in North Carolina Ancestors descendants and relatives lived mainly in North Carolina **Inhabiting Contemporary Southern and Appalachian Literature** Casey Clabough,2012-08-26 The idea of place any place remains one of our most basic yet slippery concepts It is a space with boundaries whose limits may be definite or indefinite it can be a real location or an abstract mental spiritual or imaginary construction Casey Clabough s thorough examination of the importance of place in southern literature examines the works of a wide range of authors including Fred Chappell George Garrett William Hoffman Julien Green Kelly Cherry David Huddle and James Dickey Clabough expands the definition of here beyond mere geography offering nuanced readings that examine tradition and nostalgia and explore the existential nature of place Deeply concerned with literature as a form of emotional intellectual and aesthetic engagement with the local and the regional Clabough considers the idea of place in a variety of ways as both a physical and metaphorical location as an important factor in shaping an individual informing one of the ways the person perceives the world and as a temporal as well as geographic construction This fresh and useful contribution to the scholarship on southern literature explains how a text can open up new worlds for readers if they pay close enough attention to place *Kimball's Dairy Farmer*,1912 Talking Appalachian Amy D. Clark,Nancy M. Hayward,2014-08-29 Tradition community and pride are fundamental aspects of the history of Appalachia and the language of the region is a living testament to its rich heritage Despite the persistence of unflattering stereotypes and cultural discrimination associated with their style of speech Appalachians have organized to preserve regional dialects complex forms of English peppered with words phrases and pronunciations unique to the area and its people Talking Appalachian examines these distinctive speech varieties and emphasizes their role in expressing local history and promoting a shared identity Beginning with a historical and geographical overview of the region that analyzes the origins of its dialects this volume features detailed research and local case studies investigating their use The contributors explore a variety of subjects including the success of African American Appalachian English and southern Appalachian English speakers in professional and corporate positions In addition editors Amy D Clark and Nancy M Hayward provide excerpts from essays poetry short fiction and novels to illustrate usage With contributions from well known authors such as George Ella Lyon and Silas House this balanced collection is the most comprehensive accessible study of Appalachian language available today
