War Dogs Rebecca Frankel,2016-09-06 A compelling look at the important role that dogs have played in America s most recent military conflicts replete with the touching stories of individual dogs and their handlers soldiers **War Dogs** Rebecca Frankel,2024-05-01 In this special edition of War Dogs adapted specifically for a younger audience Rebecca Frankel offers a riveting mix of on the ground reporting her own hands on experiences in the military working dog world and a look at the science of dogs special abilities from their amazing noses and powerful jaws to their enormous sensitivity to the emotions of their human companions Her narrative gives us insight into the world of dogs in combat and the touching aspect of the relationship between soldiers and their dogs Frankel explores the long rich history of dogs in the US military from the spirit lifting mascots of the Civil War to the dogs still leading patrols hunting for IEDs today Frankel not only interviewed handlers who deployed with dogs in wars from Vietnam to Iraq but top military commanders K 9 program managers combat trained therapists who brought dogs into war zones as part of a preemptive measure to stave off PTSD and veterinary technicians stationed in Bagram She makes a passionate case for maintaining a robust war dog force In this YA edition Rebecca Frankel gives further insight into her work as a journalist and how it led her to explore the world of dogs and their handlers With a compelling cast of humans and animals this moving book is a must read for all dog lovers **Dogs at War** Connie Goldsmith,2017-01-01 While in a war zone a military working dog MWD and its handler live together eat together

play together sleep together and risk their lives for each other every day The dogs work with handlers in every branch of the US military They guard military bases sniff out concealed explosives and other weapons and alert their handlers to hidden enemies Learn how the military selects these special dogs and trains them for the many tasks they perform while on duty Meet Rex Clipper Maci Iva Ikar and other MWDs who have served the US military in conflicts around the world **An Eclectic Bestiary** Birgit Spengler, Babette B. Tischleder, 2019-06-04 The essays poetry and visual art collected here consider the more than human cultures of our multispecies world At a time when humanity's impact has put our planet's ecosystems into great jeopardy the book explores literary sonic and visual imaginaries that feature encounters between and across a variety of living creatures beetles and bison people and pigeons trees and spiderwebs vegetables and violets orchards and octopi vampires and tricksters Offering a wide range of critical and creative contributions to Human Animal Studies Critical Plant Studies and the Nonhuman Turn the volume seeks to foster new ways of imagining a more response able coexistence on our shared Earth **Cosmopolitan Belongingness and War** Matthew Leep, 2021-05-01 In *Cosmopolitan Belongingness and War* Matthew Leep develops a cosmopolitan account of war that blends sharp inquiry into interspecies politics with original poetry on animals loss and war Informed by the works of Jacques Derrida this book is not only a somber and sobering exploration of the loss of animal lives during the Iraq War from the initial US invasion to later struggles with ISIS but also an imaginative tracing of animal experiences in spectral poetic moments By emphasizing elegies poetic space and multispecies belonging Leep envisions the cosmopolitan text as a hybrid form of critical and poetic engagement with animal others An insightful mix of cosmopolitan poetics poetry and analysis of the Iraq War in its multispecies entanglements *Cosmopolitan Belongingness and War* connects contemporary concerns with political violence memory and interspecies politics to imagine a more spectral posthumanist and poetic cosmopolitanism Interdisciplinary in scope this book will engage scholars of international relations political theory US foreign policy animal studies poetry and Derrida as well as those interested in human animal relations in perilous times *Mobilizing the South* Christopher M. Rein, 2022-08-23 Throughout its history the United States has fought its major wars by mobilizing large numbers of citizen soldiers While the small peacetime regular army provided trained leadership and a framework for growth the citizen soldier from the minuteman of the American Revolution to Civil War volunteers and the draftees of World War II have successfully prosecuted the nation's major wars But the Army and the nation have never fully resolved the myriad problems surrounding the mobilization and employment of reserve troops National Guard divisions in World War II suffered from neglect during the interwar period and Great Depression and regular Army commanders often replaced or relieved National Guard officers which generated lingering resentment At the same time draftees from across the nation diluted the regional affiliations of many units with a corresponding effect on morale and esprit de corps Chris Rein's study of one division recruited from the Gulf South and employed in the Southwest Pacific Theater in 1944 and 1945 highlights the challenges of reserve mobilization training and

the combat deployment of National Guard units His account demonstrates the still strong connections between the local communities that hosted and supported National Guard companies before the war even after an influx of new personnel nationalized the units and they shipped overseas The 31st Division reorganized after combat deployment in World War I consisted primarily of infantry regiments from Florida Alabama Mississippi and until 1942 Louisiana Mobilized for federal service in late 1940 the division participated in the critical Louisiana and Carolina Maneuvers in 1941 but then languished for the next two years as a training organization though it provided trained cadres and replacements for other divisions the Army deployed to Europe and the Pacific In 1944 the division finally shipped overseas enduring the brutal conditions in the Southwest Pacific but successfully conducting landings on the New Guinea coast in support of Gen Douglas MacArthur s island hopping campaign directed at liberating the Philippines After a change in leadership on the second day of the amphibious assault on Morotai the division supported the liberation of Mindanao the southernmost major island in the archipelago before redeploying for demobilization at the end of 1945 Rein s study traces the division s decades of duty from the interwar period when it contended with a series of devastating natural disasters through its mobilization and combat deployment However within the 31st Division s story there are several significant issues that remain highly relevant for reserve deployment today The first centers on the issue of World War II era National Guard leadership The Army implemented a purge of overage and less competent National Guard division commanders in order to replace them with younger officers of the regular Army Maj Gen John C Persons a pre war Birmingham resident and Alabama National Guard officer commanded the division throughout the peacetime mobilization and training and the first operation in New Guinea only to be summarily fired on the second day of the Morotai landings an action not adequately explained in the existing literature The second issue concerns the Army s nationalization of regional units While this policy has the benefit of spreading any casualties across the nation rather than duplicate the horrific losses of the Bedford Boys of the 29th Infantry Division that devastated one small Virginia community it also erodes regional identity and esprit de corps This work is a case study of the strength and weaknesses of units with a regional identity and explores the connections with the home front once that identity erodes It also examines the Dixie Division s operational and strategic evolution but just as importantly details drawn from soldiers correspondence and oral histories to show how their exposure to a larger world including service alongside African American and Filipino units changed their views on race and post war society

Beware of Dog Melissa Crawley, 2021-05-14 For many of us the only way we meet dangerous dogs is through news reports about vicious attacks and films and TV shows that feature out of control versions of man s best friend But there s more to the Bad Dog s story than sensational headlines and movie beasts A deeper look at these representations reveals a villain much closer to home This book takes the reader on a rich journey through depictions of violent dogs in popular media It explores how press accounts and screen stories transform canines into bloodthirsty hunters rabies infested strays ferocious fighters rogue law

enforcement partners and diabolical pets all adding up to a frightening picture of our usually beloved companions But when media tells the dangerous dog s story it is often with a deep connection to the person on the other end of the leash

Animals Go to War Connie Goldsmith,2018-08-01 In the twenty first century military marine mammals detect lost equipment and underwater mines Large rats are trained to find land mines in more than 80 countries Military working dogs search for explosive devices and other weapons and are trained to take down enemy combatants In earlier centuries military fighters rode horses into battle relied on elephants to haul supplies and trained pigeons to carry messages Even cats goats and chickens have served in wartime as mascots Learn about the history of animals in warfare the functions they serve and how they are trained as well as the psychology that makes animals such good partners in warfare **Hero Dogs** Wilma Melville,Paul Lobo,2019-01-08 A true story of unadoptable dogs who became search and rescue heroes Readers will delight in the personalities of both the people and the animals Library Journal Lola was a buckshot riddled stray lost on a Memphis highway Cody was rejected from seven different homes Ace had been sprayed with mace and left for dead on a train track They were deemed unadoptable Untrainable Unsalvageable These would become the same dogs America relied on when its worst disasters hit In 1995 Wilma Melville volunteered as a canine search and rescue SAR handler with her Black Labrador Murphy in the aftermath of the Oklahoma City bombing At the time there were only fifteen FEMA certified SAR dogs in the United States Believing in the value of these remarkable animals to help save lives Wilma knew many more were needed in the event of future major disasters She made a vow to help 168 dogs receive search and rescue training in her lifetime one for every Oklahoma City victim Wilma singlehandedly established the National Disaster Search Dog Foundation SDF to meet this challenge The first canine candidates Ana Dusty and Harley were a trio of golden retrievers with behavioral problems so severe the dogs were considered irredeemable and unadoptable But with patience discipline and love applied during training they proved to have the ability agility and stamina to graduate as SARs Paired with a trio of firefighters they were among the first responders searching the ruins of the World Trade Center following 9 11 setting the standard for the more than 168 of the SDF s search and rescue dogs that followed Beautiful and heart wrenching Hero Dogs is the story of one woman s dream brought to fruition by dedicated volunteers and firefighters and the bonds they forged with the incredible rescued turned rescuer dogs to create one of America s most vital resources in disaster response Includes photographs Canine Confidential Marc Bekoff,2018-04-13 Get to know your best friend better Everyone who owns a dog breeds or trains dogs or works with dogs should read this informative book Library Journal Just think about the different behaviors you see at a dog park We have a good understanding of what it means when dogs wag their tails but what about when they sniff and roll on a stinky spot Why do they play tug of war with one dog while showing their bellies to another Why are some dogs shy while others are bold What goes on in dogs heads and hearts and how much can we know and understand Written by award winning scientist and lifelong dog lover Marc Bekoff Canine Confidential not only brilliantly opens up the world of dog

behavior but also helps us understand how we can make our dogs lives better Rooted in the most up to date science on cognition and emotion fields that have exploded in recent years Canine Confidential is a wonderfully accessible treasure trove of new information and myth busting Peeing we learn isn t always marking grass eating isn t always an attempt to trigger vomiting it s okay to hug a dog on their terms and so much more There s still much we don t know but at the core of the book is the certainty that dogs do have deep emotional lives and that as their companions and trainers we must recognize them as the unique complex individuals they are so we can keep them as happy and healthy as possible Bekoff shares his own studies and others research along with real life stories in a winning tone Booklist *Dealing with Death* Kathlyn
