The War-Torn Hills of Earth | Flashback: The Final Trilogy of Stories | Part Three Wayne Kyle Spitzer,2023-02-11

The final Flashback begins It s all led to this All the characters and situations of the Flashback Dinosaur Apocalypse come together in a final trilogy of tales that will close out and define the saga Join Ank and Williams the crew of Gargantua the kids from Thunder Road and so many others as they heed the call to adventure one last time and face the very architects of the Flashback From The War torn Hills of Earth The gold fog rolled and so did the water foaming and frothing revealing first the photonics mast and communications antennas then The Sarpedon s black sea slicked sail and forward fins then its great dark parabolic bow which breached the surface at an angle like the plesiosaurs and ichthyosaurs and mosasaurs swimming alongside until still steaming forward the ship was fully surfaced and its aft fins visible at which three people two men and a small woman with a bob haircut appeared in the sail Jesus gasped Puckett the engineering chief as he looked at the beasts which filled the water for as far as the eye could see which nonetheless wasn t very far due to the fog If I hadn t seen it myself I wouldn t have believed it The sonar doesn t lie Captain O Neil was more circumspect But why goddammit That s what I want to know I ve certainly never seen them migrate en masse like this like Hammerhead sharks What s the reason Both of them had to shout over the crash and commotion of the waves Pang signed excitedly at them as the wind chopped her hair What s she saying Puckett who d been working with her paraphrased She s saying What if they were called too only in a different way He watched as she continued to sign Or considering the dream used sound and imagery instead of words the exact same way O Neil looked at the marine animals as they leapt and dove and swam powerfully alongside Aye but for a different reason he thought Ho cried Chief Puckett suddenly The Santa Monica Pier O Neil peered into the fog and saw the tiny silhouette of a Ferris wheel emerging from the gloom then unhooked his mic Half ahead revolutions 500 and mind the beasties He looked at Pang Yes I m going to send a team ashore And no you re not And that s when it happened that s when the pterodactyl flapped down like an oyster white threshing machine and snatched her up by the shoulders began rising That s when O Neil drew his sidearm even as Puckett grabbed her by the ankle but couldn t get a shot in through the pounding wings and Pang s own flailing until there was the briefest of openings and he did fire Until he got lucky and the bird fell and so did Pang still being gripped by her ankle so that she was flipped upside down and slammed against the sail which her head hit like a rock So that she was knocked unconscious even as Puckett and O Neil held tightly and ultimately dragged her back into the conning tower After which drearily for they were unable to wake her or get any sort of reaction at all there was nothing to do but take her to the infirmary and monitor her Nothing to do frankly but pray [The Turkish War of Independence](#) Edward J. Erickson,2021-05-24 The dramatic story of the turbulent birth of modern Turkey which rose out of the ashes of the Ottoman Empire to fight off Allied occupiers Greek invaders and internal ethnic groups to proclaim a new republic under Mustafa Kemal Atat rk It is exceedingly rare to run across a major historical event that has no comprehensive

English language history but such was the case until The Turkish War of Independence brought together all the main strands of the story including the chaotic ending of World War I in Asia Minor and the numerous military fronts on which the Turks defied odds fighting off several armies to create their own state from the defeated ashes of the Ottoman Empire This important book culminates Erickson s three part series on the early 20th century military history of the Ottomans and Turkey Making wide use of specialized hard to find Western and Turkish memoirs and military sources it presents a narrative of the fighting which eventually brought the Turkish Nationalist armies to victory Often termed the Greco Turkish War an incomplete description that misses its geographic and multinational scope this war pitted Greek Armenian French British Italian and insurgent forces against the Nationalists the narrative shows these conflicts to have been distinct and separate to Turkey s opponents while the Turkish side saw them as an interconnected whole

Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing

Evelyn Waugh Revisited Ravi K Dhar, 2021-12-19 Born on 28 October 1903 to Arthur Waugh 1866 1943 and Catherine Charlotte Raban 1870 1954 Arthur Evelyn St John Waugh 1903 1966 popularly known by his pen name Evelyn Waugh wrote thirteen major novels apart from short stories travelogues essays news stories and non fiction In the maze of his prolific writings the quintessential Waugh often escaped the critical scrutiny of critics and reviewers who often charged him with being a bitter critic of modern Britain without presenting an alternative moral vision or else that his novels play up an untenable nostalgia for the aristocratic values of the feudal past and a pre occupation with thrusting his religion on others This book attempts to tear through the foggy veil of such critiques to revisit and redeem the real Waugh as represented in his creative works The study argues that the claim of Evelyn Waugh to be recognised as a major twentieth century novelist in English literature rests on his creative use of comedy to convey his unique vision of life The book highlights the centrality of the ubiquitous metaphor of the ever revolving wheel of life to an understanding of his comic vision and art The metaphor helps to define not just the division of this world into static dynamic and religious characters but also the weltanschauung that drives them to lead their lives in a particular way Based on this Waugh s novels are amenable to classification into lesser and greater comedies The book argues that while the lesser comedies play up the absurdity of belief in the Enlightenment philosophy of progress the greater comedies present the grandeur of life in the spiritual resurrection of the central characters
