**Wearing Special "PPE" in the Workplace** L. A. Jones, 2014-05 I wrote this book of wonderful wisdom on workplace safety for three primary reasons 1 the complete furnishing of personal protection principles and practices 2 the common work of the workplace 3 the complex instruction of groups of workers in the workplace These three primary reasons as I strongly believe serve as real keys to achieving the noble goal of a safe workplace to unite workers in the belief that they can be safe to unite workers in the wisdom of workplace safety to bring workers to a mature state of complete oneness in purpose to bring workers to the point of being wise workers Though the wonderful wisdom of this book reserves the real potential to become universal it is primarily targeted at steel mills some of the most dangerous places in the world to work I firmly believe wisdom of workplace safety is the Master Key to producing wise workers Wise workers are the first principle to being safe workers Safe workers are the secret to a safe workplace A safe workplace is without a doubt the noblest of goals that can be set and striven toward by any steel mill L A Jones      Dear Brittney Brittney Reel, 2014-07-13 Love What a joke huh Sometimes that may be how you feel It is certainly how Brittney has felt at points in her life Dear Brittney chronicles the journey of a twenty something single woman who has struggled to deeply sincerely and passionately love the one who first loved her God This book is not just about Brittney but rather there is that piece of Brittney in every woman who is yet waiting on her promise from God Get lost in this thought provoking bold and healing story that is sure to help you during your single journey      **Walking into Your Promise** Ebony Butler, 2023-05-21 Format and Transform your prayer life on a new level life changing level A level you never imagined Allow the testimonial story of Walking Into Your Promise help lead and guide you to accessing the promises God has for you This powerful story helps to show how vital it is to establish an authentic relationship and walk with God It demonstrates how God will give us the tools needed through prayer to receive treasures that God has for us As Ebony Butler portrays her relationship and life trials she has faced while seeking God and praying readers will be inspired and motivated to build a new phenomenal walk with God Which will identify that God has so much greatness in store for all of his people There is power in our prayers      What God Is Now Telling His Prophets About the End Times Apostle Frederick E. Franklin, 2013-03-12 This is our second book When we wrote our first book concerning the end times we were living in Montgomery Alabama of the United States Since we wrote the first book we have moved with our three children Elijah Jeremiah Ezekiel Daniel Isaiah and Rebekah Anna Franklin Even before we finished writing the first book God told us that we would write this book also A certain saint preacher and prophet came to us with a message from God He prophesied many things that God would use us to do Part of the prophecy was that we would write another book He visited us with this prophecy in the second half of the year 1994 This was a surprising prophecy to us We thought that the first book would be the only one we would write We had given all we had to give in this book On February 1 1995 while in prayer between 5 00 a m and 6 00 a m God spoke to us directly and said that we would write another book This was a very

special week for us The day before January 31 1995 our oldest son Elijah Jeremiah Ezekiel Franklin had his fifth 5th birthday On February 2 1995 he was filled with the Holy Ghost evidenced by speaking in other tongues and baptized in the name of Jesus This was a burden lifting experience for us We had been praying every day since before he was born for him to be born again and now finally it had happened God had told us a few days before of some great work in the ministry that he would use us for A day after Elijah was filled with the Holy Ghost he prophesied of the very thing God had told us a few days earlier We had not told him neither could he have known what God had told us As we have said this is the second book we have written Both of these books are related to the end times We write this book as a kind of companion book to the first book Our first book has as its title Proof That Your Leaders Have Deceived You And The End Times This our second book unlocks many mysteries concerning the end times which God revealed to us After you read this book the scriptures concerning the end times will no longer be hard to understand In fact the Book of Revelation and other end time prophesy scriptures will be some of the easiest scriptures to understand in the Holy Bible What we provide you in this book is not something concerning the end times that is theorized and taught by man as others have written but we provide you revelation and understanding from the throne of God In fact others dont make this claim but we proclaim that the words we write are from God If any words that are spoken are written be contrary to what we write they are lies We have received from God and we have received again from God for confirmation Our words line up with Gods words in the Holy Bible and they must otherwise they also would be lies WILL YOU BELIEVE Regrettably the answer is NO of most of you in the United States However the answer is YES for a certain number in the United States We thank God Also the answer is YES for great multitudes in many places other than in the United States We rejoice Without God providing us this revelation and wisdom we neither would know and could write anything So we appropriately write this book for the Lord God Almighty JESUS praise glory honor tribute thanks worship will pleasure and for the salvation of souls
