

Investigation of a Tuberculosis Outbreak in the Washington State Prison System

Karen Walker¹, Patricia Wilson², Monica Porter³, Laura Reed⁴, David Miller⁵, Jonathan Williams⁶, Sarah Almonson⁷, Wendy Douglas-Holmquist⁸, Robert Taylor⁹, and Lisa Smith¹⁰

Background

During 2014–2020, six TB cases were identified in Washington State Department of Corrections (DOC) prison facilities.

During investigation (2021–2023), 27 latent TB cases and 27 active TB infections (17) were identified among facility A residents. No other cases were identified.

Three TB cases were also identified at Facility B during December 2021–January 2022.

In January 2023, WACD and Washington State Department of Health (DOH) requested DOC assistance in facilitating ongoing outbreak investigations efforts.

Investigation

A multi-agency investigation led by WACD and DOH is ongoing.

Investigation Objectives

Casey Prisoners with TB disease were identified through facility-based screening and medical evaluation. Cases were characterized through chart review and interviews with prison and public health staff. Latent TB patients were screened per CDC guidelines, more extensive (2-step) infection control measures were taken when patients' symptoms indicated early-phase.

Casey (2021–2023) data systems were used to identify residents and staff who had spent a 2 days or more together in prison and TB during those infectious periods. Contacts were invited using letters and text to infectious patients' prison email.

Investigation findings indicate that latent TB infection was the primary source of infection. Latent TB infection was identified in 27 cases among facility A residents. Active TB infection was identified in 17 cases among facility A residents. Latent TB infection was identified in 3 cases among facility B residents. Active TB infection was identified in 1 case among facility B residents. Latent TB infection was identified in 1 case among facility C residents. Active TB infection was identified in 1 case among facility C residents.

During investigation (2021–2023), 27 latent TB cases and 27 active TB infections (17) were identified among facility A residents. No other cases were identified. Three TB cases were also identified at Facility B during December 2021–January 2022.

Active TB infection was identified in 1 case among facility C residents.

During 2021–2023, a multi-agency investigation identified 27 TB cases among residents and 250 latent TB infections among contacts in the Washington State prison system.

Findings

During 2021–2023, 27 TB cases among residents in prison were identified, more than 250 latent TB infections.

Facility A (2021–2023) Facility B (2021–2023)

27 latent TB infections (17 active, 10 latent) among facility A residents and 250 latent TB infections.

Active TB infection among residents (17 cases) among facility A residents and 250 latent TB infections.

The active TB infection among facility A residents was 17 cases and 250 latent TB infections.

Active TB infection among facility A residents was 17 cases and 250 latent TB infections.

Active TB infection among facility A residents was 17 cases and 250 latent TB infections.

Public Health Response

WACD and DOH implemented a multi-pronged response.

- Implemented TB prevention & control measures
- Identified & tested contacts in prison facilities
- Facilitated screening with active TB and latent TB testing
- Provided TB education to residents, families, & staff

Conclusions

During 2021–2023, 27 TB cases among facility A residents and 250 latent TB infections were identified. Latent TB infection was the primary source of infection. Latent TB infection was identified in 27 cases among facility A residents. Active TB infection was identified in 17 cases among facility A residents. Latent TB infection was identified in 3 cases among facility B residents. Active TB infection was identified in 1 case among facility B residents. Latent TB infection was identified in 1 case among facility C residents. Active TB infection was identified in 1 case among facility C residents.

Finding Faith in Foreign Policy Gregorio Bettiza, 2019-06-04 Since the end of the Cold War religion has become an ever more explicit and systematic focus of US foreign policy across multiple domains US foreign policymakers for instance have been increasingly tasked with monitoring religious freedom and promoting it globally delivering humanitarian and development aid abroad by drawing on faith based organizations fighting global terrorism by seeking to reform Muslim societies and Islamic theologies and advancing American interests and values more broadly worldwide by engaging with religious actors and dynamics Simply put religion has become a major subject and object of American foreign policy in ways that were unimaginable just a few decades ago In Finding Faith in Foreign Policy Gregorio Bettiza explains the causes and consequences of this shift by developing an original theoretical framework and drawing upon extensive empirical research and interviews He argues that American foreign policy and religious forces have become ever more inextricably entangled in an age witnessing a global resurgence of religion and the emergence of a postsecular world society He further shows how the boundaries between faith and state have been redefined through processes of desecularization in the context of American foreign policy leading the most powerful state in the international system to intervene and reshape in increasingly sustained ways sacred and secular landscapes around the globe Drawing from a rich evidentiary base spanning twenty five years Finding Faith in Foreign Policy details how a wave of religious enthusiasm has transformed not just American foreign policy but the entire international system

The Nexus

Frank Shanty, 2011-03-03 This timely and important work offers an in depth analysis of the existence or nonexistence of a nexus between international terrorism and drug trafficking emanating from Afghanistan The Nexus International Terrorism and Drug Trafficking from Afghanistan addresses an issue that directly impacts the prospects for resolution of the current insurgency in that nation Written by noted terrorism expert Frank Shanty the book explores the nature and the extent of involvement between international criminal drug traffickers particularly of drugs originating from Afghanistan and international terrorist networks with global reach Shanty dispels the myths and disinformation surrounding this vital and controversial question even as he arrives at his own answers In addition to offering a historical overview of the opium problem in Afghanistan from the late 1970s to 2010 the book looks at three distinct phenomena It examines the existence characteristics and behavior of international terrorists operating from Afghanistan specifically the evolution and ascendancy of al Qaeda and the Taliban and the nature of their relationship It looks at Afghanistan s opium trade relative to specific actor involvement and finally it analyzes allegations of a link between terrorists in Afghanistan and international drug criminals and the implications of that connection *Hearings, Reports and Prints of the Senate Committee on Interior and Insular Affairs* United States. Congress. Senate. Committee on Interior and Insular Affairs, 1967 Monthly Catalogue, United States Public Documents , 1984 **The Kurds and US Foreign Policy** Marianna Charountaki, 2010-10-18 This book provides a detailed survey and analysis of US Kurdish relations and their interaction with domestic regional and global politics Using the Kurdish issue to explore the nature of the engagement between international powers and weaker non state entities the author analyses the existence of an interactive US relationship with the Kurds of Iraq Drawing on governmental archives and interviews with political figures both in Northern Iraq and the United States the author places the case study within a broader International Relations context The conceptual framework centres on the inter relations between actors both state and non state and structures of material and ideational kinds while the detailed survey and analysis of US Kurdish relations in their interaction with domestic regional and global politics forms the empirical core of the study Stressing the intertwining of domestic and foreign policy as part of the same set of dynamics the case study explains the emergence of the interactive and institutionalized US relationship with the Kurds of Iraq that has brought about the formation within an Iraqi framework of an undeclared US official Kurdish policy in the post Saddam era Filling a gap in the literature on US Kurdish relations as well as the broader topic of International Relations this book will be of great interest to those in the areas of International Relations Middle Eastern and Kurdish Politics **The ^AWorld Heroin Market** Letizia Paoli, Victoria A. Greenfield, Peter Reuter, 2009-04-10 This book is the first attempt to describe and analyze the world opiate market It looks at how the Taliban achieved a cutback in heroin production in Afghanistan a longtime goal of national and international drug policy agencies and how that cutback impacted the very robust global market for the drug Based on this and other country studies the authors show that internationally supported interventions on the supply side can open up limited opportunities for

curbing consumption Hitting First William W. Keller, Gordon R. Mitchell, 2006-09-03 The U S war in Iraq was not only an intelligence failure it was a failure in democratic discourse Hitting First offers a critical analysis of the political dialogue leading up to the American embrace of preventive war as national policy and as the rationale for the invasion and occupation of Iraq Taking as its point of departure the important distinction between preemptive and preventive war the contributors examine how the rhetoric of policy makers conflated these two very different concepts until the public could no longer effectively distinguish between a war of necessity and a war of choice Although the book focuses on recent events Hitting First takes into consideration the broader historical ethical and legal context of current American policies Precedents are examined for preventive military action based on conventional as well as nuclear biological and chemical weapons threats The authors also consider recent examples of the rhetoric of humanitarian intervention which have tended to undermine traditional notions of national sovereignty making purportedly morally justifiable actions easier to entertain Intelligence gathering and its use manipulation and distortion to suit policy agendas are also analyzed as are the realities of the application of military force military requirements to sustain a policy of preventive war and post conflict reconstruction Hitting First presents a timely and essential view of the lessons learned from the failures of the Iraqi conflict and offers a framework for avoiding future policy breakdowns through a process of deliberative public and governmental debate within a free market of ideas The critiques and prescriptions offered here provide a unique and valuable perspective on the challenges of formulating and conduct of national security policy while sustaining the principles and institutions of American democracy This collection will appeal to students and scholars of American foreign policy international relations political communication and ethics Victimology Leah E. Daigle, 2017-06-21 Victimology A Text Reader Second Edition engages students with the most current cutting edge articles published in the field of victimology as well as connects them to the basic concepts Unlike existing victimology textbooks this unique combination of published articles with original material presented in a mini chapter format puts each topic into context so students can develop a better understanding of the extent causes and responses to victimization Students will build a foundation in the history and development of the field of victimology will be shown the extent to which people are victimized and why will learn the specific types of victimization and will witness the interaction between the criminal justice system and victims today **Marijuana Politics** Robert M. Hardaway, 2018-01-18 What is the big deal about cannabis This book covers everything from botany to the historical uses and common misconceptions of cannabis with a focus on the political process of prohibition and legalization of cannabis in the United States Why is marijuana to which few if any deaths can be attributed generally banned in the United States while cigarettes and liquor which unquestionably kill millions are currently legal This question can best be explained through an investigation of the historical context of cannabis in our country This book documents the long history of marijuana use the turbulent path of the prohibition of cannabis use the issues regarding present day legalization and the modern implications of

both medical and recreational cannabis It provides compelling insight from multiple academic disciplines including sociology political science economics medicine and health and in particular from the history of the American experience with the criminalization of liquor gambling prostitution and cigarettes Marijuana Politics Uncovering the Troublesome History and Social Costs of Criminalization examines the current trend toward the legalization of marijuana in the context of the American experience with particular emphasis on political social and constitutional developments in the United States beginning in the 20th century It compares the trend toward marijuana legalization to Prohibition and U S laws regarding the consumption of alcohol and analyzes legal developments in comparable areas such as the regulation of other vices and hard drugs like cocaine and heroin This book is accessible to both casual readers and academic students and provides a robust understanding of the both historical and modern aspects of the drug itself and legalization regardless of the reader s individual beliefs on the use of cannabis
