Way Of Analysis Manual:

Ebook: SPSS Survival Manual: A Step by Step Guide to Data Analysis using IBM SPSS Julie Pallant, 2020-04-01

The SPSS Survival Manual throws a lifeline to students and researchers grappling with this powerful data analysis software. In her bestselling guide, Julie Pallant takes you through the entire research process, helping you choose the right data analysis technique for your project. This edition has been updated to include up to SPSS version 26. From the formulation of research questions to the design of the study and analysis of data to reporting the results, Julie discusses basic and advanced statistical techniques. She outlines each technique clearly with step by step procedures for performing the analysis, a detailed guide to interpreting data output, and an example of how to present the results in a report. For both beginners and experienced users in Psychology, Sociology, Health Sciences, Medicine, Education, Business, and related disciplines, the SPSS Survival Manual is an essential text. It is illustrated throughout with screen grabs, examples of output, and tips, and is also further supported by a website with sample data and guidelines on report writing. This seventh edition is fully revised and updated to accommodate changes to IBM SPSS procedures.
