sources **Urban Growth in Ethiopia, 1887-1974** Getahun Benti, 2016-12-20 This book highlights the positive achievements that Imperial Ethiopia made in its journey towards urbanization into the modern era and undertakes a critical assessment of the economic political and social impediments that prevented the country from transitioning into a truly fully fledged modern urbanization It provides a comprehensive history of the growth of towns between 1887 and 1974 It is organized chronologically regionally and thematically divided into three distinct time periods during which Ethiopian towns saw progresses and exposures to limited modern urban features First during 1887 1936 the country saw the creation and growth of a national capital 1887 that coordinated the country s economic and political activities and facilitated the growth of other towns in the empire It introduced new towns the railway modern schools and health centers Rudimentary factories were established in Addis Ababa and Dire Dawa along with motor cars and modern roads which increased trade between cities The next era was the Italian occupation from 1936 1941 which shook the pre existing process of urban growth by introducing a modern European style urbanization system Ethiopian cities saw a qualitatively different way of urban growth in both form and content The Italians introduced modern economic and physical planning administration and internal organization People were introduced to modern life in urban areas exposed to modern wage labor system and thus moved to towns to take advantage of the opportunity The Italian occupation left behind many features of modern urbanization and this influenced population exposed to modern consumptive tastes was determined to retain what the Italians introduced Finally the post Italian period saw a new era of urban growth Due to economic and organizational problems resulting from destructions caused by the war the process of urban growth was slowed down in the early 1940s Although the government did not introduce a clear urban policy in the immediate aftermath of the Second World War towns continued to grow progressively from the early 1950s to 1974 **White Tears/Brown Scars** Ruby Hamad, 2020-10-06 Called powerful and provocative by Dr Ibram X Kendi author of the New York Times bestselling How to be an Antiracist this explosive book of history and cultural criticism reveals how white feminism has been used as a weapon of white supremacy and patriarchy deployed against Black and Indigenous women and women of color Taking us from the slave era when white women fought in court to keep ownership of their slaves through the centuries of colonialism when they offered a soft face for brutal tactics to the modern workplace White Tears Brown Scars tells a charged story of white women s active participation in campaigns of oppression It offers a long overdue validation of the experiences of women of color Discussing subjects as varied as The Hunger Games Alexandria Ocasio Cortez the viral BBQ Becky video and 19th century lynchings of Mexicans in the American Southwest Ruby Hamad undertakes a new investigation of gender and race She shows how the division between innocent white women and racialized sexualized women of color was created and why this division is crucial to confront Along the way there are revelatory responses to questions like Why are white men not troubled by sexual assault on women See Christine Blasey Ford With rigor and precision Hamad builds a powerful argument about the legacy of white superiority that we are

socialized within a reality that we must apprehend in order to fight A stunning and thorough look at White womanhood that should be required reading for anyone who claims to be an intersectional feminist Hamad s controlled urgency makes the book an illuminating and poignant read Hamad is a purveyor of such bold thinking the only question is are we ready to listen Rosa Boshier The Washington Post **Ways of the World: A Brief Global History, Volume 2** Robert W.
