

# WWI Soldier's Equipment

Use this information sheet to make notes on the type of equipment that a soldier used in the trenches on the Western Front and also carried into battle with him during WWI. These notes will be useful for your trench letter.

When a British soldier went 'over the top' to attack the enemy he had to carry all of this equipment through the mud, barbed wires and crater holes made by mines. They had to make sure that they did not get shot at the same time.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
