Bossman Vi Keeland,2016-07-18 From New York Times Bestseller Vi Keeland comes a sexy new standalone novel The first time I met Chase Parker I didn t exactly make a good impression I was hiding in the bathroom hallway of a restaurant leaving a message for my best friend to save me from my awful date He overheard and told me I was a bitch then proceeded to offer me some dating advice So I told him to mind his own damn business his own tall gorgeous full of himself damn business and went back to my miserable date When he walked by my table he smirked and I watched his arrogant sexy ass

walk back to his date I couldn t help but sneak hidden glances at the condescending jerk on the other side of the room Of course he caught me on more than one occasion and winked When the gorgeous stranger and his equally hot date suddenly appeared at our table I thought he was going to rat me out But instead he pretended we knew each other and joined us telling elaborate embarrassing stories about our fake childhood My date suddenly went from boring to bizarrely exciting When it was over and we parted ways I thought about him more than I would ever admit even though I knew I d never see him again I mean what were the chances I d run into him again in a city with eight million people Then again What were the chances a month later he d wind up being my new sexy boss We Shouldn't Vi Keeland, 2019-01-21 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel Bennett Fox walked into my life on one hell of a crappy Monday morning I was late for the first day at my new job a job I d now have to compete for even though I d already worked eight years to earn it because of an unexpected merger While I lugged my belongings up to my new office a meter maid wrote me a parking summons She d ticketed a long line of cars except for the Audi parked in front of me which happened to be the same make and model as mine Annoyed I decided to regift my ticket to the car that had evaded a fine Chances were the owner would pay it and be none the wiser Except I accidentally broke the windshield wiper while slipping the ticket onto the car's window Seriously my day couldn't get any worse Things started to perk up when I ran into a gorgeous man in the elevator We had one of those brief moments that only happened in movies You know the deal your body lights up fireworks go off and the air around you crackles with electricity His heated stare left me flush when I stepped off the elevator Maybe things here wouldn't be so bad after all Or so I thought Until I walked into my new boss's office and met my competition The gorgeous man from the elevator was now my nemesis His heated stare wasn t because of any mutual attraction It was because he d saw me vandalize his car And now he couldn't wait to annihilate his rival There's a fine line between love and hate and we shouldn t cross it We shouldn t but straddling that line could be so much fun The Naked Truth Vi Keeland, 2018-07-23 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel It was just a typical Monday Until the big boss asked me to make the pitch for a prospective new client After two years on shaky ground at work because of my screw up an opportunity to impress the senior partners was just what I needed Or so I thought Until I walked into the conference room and collided with the man I was supposed to pitch My coffee spilled my files tumbled to the ground and I almost lost my balance And that was the good part of my day Because the gorgeous man crouched down and looking at me like he wanted to eat me alive was none other than my ex Gray Westbrook A man who I d only just begun to move on from A man who my heart despised yet my body obviously still had other ideas about A man who was as charismatic and confident as he was sexy Somehow I managed to make it through my presentation ignoring his intense stare Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done But there was no way I was giving him another chance especially now that he was a client was there The Worth the Fight Series 3-Book Bundle Sidney
