*We Shouldn't* Vi Keeland, 2019-01-21 From 1 New York Times Bestseller Vi Keeland comes a new sexy standalone novel Bennett Fox walked into my life on one hell of a crappy Monday morning I was late for the first day at my new job a job I d now have to compete for even though I d already worked eight years to earn it because of an unexpected merger While I lugged my belongings up to my new office a meter maid wrote me a parking summons She d ticketed a long line of cars except for the Audi parked in front of me which happened to be the same make and model as mine Annoyed I decided to regift my ticket to

the car that had evaded a fine Chances were the owner would pay it and be none the wiser Except I accidentally broke the windshield wiper while slipping the ticket onto the car's window Seriously my day couldn't get any worse Things started to perk up when I ran into a gorgeous man in the elevator We had one of those brief moments that only happened in movies You know the deal your body lights up fireworks go off and the air around you crackles with electricity His heated stare left me flush when I stepped off the elevator Maybe things here wouldn't be so bad after all Or so I thought Until I walked into my new boss's office and met my competition The gorgeous man from the elevator was now my nemesis His heated stare wasn't because of any mutual attraction It was because he'd saw me vandalize his car And now he couldn't wait to annihilate his rival There's a fine line between love and hate and we shouldn't cross it We shouldn't but straddling that line could be so much fun

Bossmen Vi Keeland, 2016-07-18 From New York Times Bestseller Vi Keeland comes a sexy new standalone novel The first time I met Chase Parker I didn't exactly make a good impression I was hiding in the bathroom hallway of a restaurant leaving a message for my best friend to save me from my awful date He overheard and told me I was a bitch then proceeded to offer me some dating advice So I told him to mind his own damn business his own tall gorgeous full of himself damn business and went back to my miserable date When he walked by my table he smirked and I watched his arrogant sexy ass walk back to his date I couldn't help but sneak hidden glances at the condescending jerk on the other side of the room Of course he caught me on more than one occasion and winked When the gorgeous stranger and his equally hot date suddenly appeared at our table I thought he was going to rat me out But instead he pretended we knew each other and joined us telling elaborate embarrassing stories about our fake childhood My date suddenly went from boring to bizarrely exciting When it was over and we parted ways I thought about him more than I would ever admit even though I knew I'd never see him again I mean what were the chances I'd run into him again in a city with eight million people Then again What were the chances a month later he'd wind up being my new sexy boss

**The iPINIONS Journal** Anthony Livingston Hall,2017-04-04 ANTHONY L HALL takes aim at the global events of 2016 with a unique and refreshing perspective Here are some topics in this twelfth volume of his writings Hillary Calling Half of Trump s Supporters a Basket of Deplorables Hillary was only half right But the most troubling thing is not how deplorable they are it s how willing they are to elect an even more deplorable man as president of the United States The latter is what I find incomprehensible unforgivable Brexit The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains After all Britain planted the seeds of disintegration years ago when it began negotiating all kinds of opt outs from EU legislation and treaties Brazilians Protesting Cost of Rio Olympics Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks After all the debt hangover from those Games not only triggered the EU financial crisis of 2010 but austerity measures to service that debt have many once proud middle class Greeks now living like favela dwelling Brazilians Report on College Coaches Raking in Millions These salaries only validate my longstanding contention that college coaches are using the free labor of student athletes to live like plantation owners The only precedent for this is the Founding Fathers many of whom were in fact plantation owners preaching about all men being created equal while owning slaves VP Elect Pence Hailing Trump for Accusing the FBI of Corruption Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump s ego affecting that constipated countenance of sincerity as he does so J K Rowling merchandising Harry Potter like Mickey Mouse I admired her because she helped millions of kids discover the love of reading But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie s addiction
