Renegade (A hot cop, reverse age gap, hot cop, romance) Laramie Briscoe, 2022-07-24. From USA Today and Wall Street Journal Bestselling author Laramie Briscoe comes the special edition of a fan favorite series. Nobody writes blue collar romance like Laramie Briscoe, and nowhere is it more apparent than in the Moonshine Task Force Special Edition Series. This edition includes a never before released short story as well as all the slices of life scenes and text messages I've written for this couple. When you fall in love with the most unexpected person at the most unexpected time.

Ryan Renegade Kepler: I'm the type of man who knows what I want. I make up my mind and stay in my lane, never veering off the course I set for myself. Going into the military? Did it. Youngest member of the Moonshine Task Force. That's me. Get my best friend's older sister in bed. It was my pleasure. Age means nothing to me. I've seen and done things men twice my age never will. What I want more than anything is someone to share my life with, and that person is my best friend's older sister, Whitney. Whitney Trumbolt. Ryan is ten years my junior, but damn, being a cougar never felt as good as it did the night we spent together. Now I'm struggling with wanting things to either go back to the way they were or spend every night in his arms. Make my wedding planning company the best in the south. Did it. Ignore the way my body trembles when I see Ryan. Epic fail. Freak out when I see a positive pregnancy test staring back at me. Complete with mascara running down my face and clutching my pearls. Looks like things won't go back to the way they were. There's a man in my life that doesn't take no for an answer. He's the one who makes my blood run, hot cheeks turn red, and heart beat wildly within my chest. His name is Renegade.
