He's the campus golden boy. She's picking up the pieces of her broken past. But in Cecy Robson's scorching novel of second chances, perfect for readers of Monica Murphy and J. Lynn, their differences only make their connection more explosive. Every memory Lety Tres Santos has from her childhood comes with a scar, some emotional, some physical. Her father is an abusive drug addict, and her mother enables his destructive behavior. College offers Lety a fresh start until her father finds a way to ruin that, too. Now, after losing her scholarship to kick off junior year, Lety must somehow stay in school, pay tuition, and turn a deaf ear to the whispers that follow her. And she intends to do it all without Brody Quaid's help. Brody is a lacrosse star, a 4.0 student, and as a freshman, he fell hard for the beautiful and spirited Lety. But their relationship crashed and burned because he couldn't break through the walls she's put up around her heart. With Lety hurting more than ever, Brody strives to win her back and make her believe in real love and true partnership. That will mean opening up secrets locked away in his own past and trusting someone more.

than he's ever dared. Lety knows how painful it can be to depend on the wrong man. She also knows how much Brody wants to do this the right way. But it takes more than sizzling desire to move on and build a future together. Praise for *Once Loved*. This family drama filled with past horrors and possible salvation tugs at the heartstrings. Full of romance and humor and a bit of steamy sex, this story from Cecy Robson is sure to be a hit in any collection. Library Journal starred review. Brody made it his mission to be Lety's rock. Robson created a perfect book boyfriend in Brody Quaid, and many will enjoy his patience, sexiness, and unconditional love for Lety. *Heroes and Heartbreakers*. Can't Always Get What You Want. Chelsey Krause, 2015-01-13. Fans of Jill Shalvis and Molly O'Keefe will love this deeply romantic and uplifting debut novel about losing everything you thought you wanted and getting exactly what you need. Sophie Richards has been looking forward to a much-needed girls' night out, a Rolling Stones tribute band concert, a few drinks, a distraction from her grueling nursing shifts in acute care. But when her best friend bails, Sophie gets stuck with a blind date. Although Brett Nicholson may be the hottest carpenter alive, and Sophie may technically be single, she isn't exactly on the market. Six years ago she found The One. He was everything Sophie dreamed a man could be, and then she lost him. In an instant, her whole life changed, and she forgot all about happily ever after. But as she gets to know Brett, Sophie starts to wonder about the future for the first time. With a broken heart still clouding her mind, jumping into a new relationship feels impossible. When she's in his arms, walking away feels even harder. Now Sophie faces an impossible choice: living in the past or choosing love in the here and now. Praise for *Can't Always Get What You Want*.
