Cilella, 2020-05-07 Major General Emory Upton 1839 1881 served in all three branches of

the U S military during the American Civil War Lauded as a war hero he later earned acclaim for his influence on military reforms which lasted well beyond his lifetime An account of Upton's life is not complete however without a look into his brief yet passionate marriage to Emily Norwood Martin 1846 1870 This edition of Emory and Emily's letters unveils the private life of a brilliant Civil War personality It also introduces readers to the devout young woman who earned the general s fanatic devotion before her untimely death from tuberculosis Until now only a few of the couple's intimate letters have been published During the years he spent editing and publishing Emory Upton's correspondence Salvatore G Cilella Jr deliberately set aside the general s voluminous letters to his wife Unfortunately as Cilella explains in his editorial notes Emily s letters to Emory did not survive but he was able to draw on the rich trove of letters Emily wrote to her mother and father while on her honeymoon and during her stays in Key West Nassau and Atlanta Together both sets of letters form a poignant narrative of the general s tender love for his new wife and her reciprocal affection as they attempted to create a normal life together despite her declining health The life of an army wife could be grueling and despite her declining health Emily longed to perform the role expected of her It was not meant to be Unwittingly she and Emory chose the worst places for her to recover Key West and Nassau where the high humidity and heat must have exacerbated her difficulty breathing She died in Nassau far away from her husband Eleven years later racked by a sinus tumor and likely still grieving from his lost love Upton committed suicide at the age of forty one Till Death Do Us Part offers a powerful and poignant tale of two star crossed lovers against the backdrop of post Civil War America In addition the volume gives readers a fascinating glimpse into gender roles and marital relations in the nineteenth century Television Series and Specials Scripts, 1946-1992, 2009-10-21 In the early days of television many of its actors writers producers and directors came from radio This crossover endowed the American Radio Archives with a treasure trove of television documents The collected scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s They also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series The archives cover nearly 1 200 programs represented by more than 6 000 individual scripts Includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms Sanctifying Slavery and Politics in South Carolina Fred E Witzig, 2018-04-30 A vivid portrait of a Scottish religious leader and the South Carolina colony he helped shape When Alexander Garden a Scottish minister of the Church of England arrived in South Carolina in 1720 he found a colony smoldering from the devastation of the Yamasee War and still suffering from economic upheaval political factionalism and rampant disease It was also a colony turning enthusiastically toward plantation agriculture made possible by African slave labor In Sanctifying Slavery and Politics in South Carolina the first published biography of Garden Fred E Witzig paints a vivid portrait of the religious leader and the South Carolina colony he helped shape Shortly after his arrival Garden a representative of the bishop of London became the rector of St Philip's Church in Charleston the first Anglican parish in the

colony The ambitious clergyman quickly married into a Charleston slave trading family and allied himself with the political and social elite From the pulpit Garden reinforced the social norms and economic demands of the southern planters and merchants and he disciplined recalcitrant missionaries who dared challenge the prevailing social order As a way of defending the morality of southern slaveholders he found himself having to establish the first large scale school for slaves in Charles Town in the 1740s Garden also led a spirited and largely successful resistance to the Great Awakening evangelical movement championed by the revivalist minister George Whitefield whose message of personal salvation and a more democratic Christianity was anothema to the social fabric of the slaveholding South which continually feared a slave rebellion As a minister Garden helped make slavery morally defensible in the eyes of his peers giving the appearance that the spiritual obligations of his slaveholding and slave trading friends were met as they all became extraordinarily wealthy Witzig s lively cultural history bolstered by numerous primary sources maps and illustrations helps illuminate both the roots of the Old South and the Church of England's role in sanctifying slavery in South Carolina The English Catalogue of Books [annual] ,1892 Vols for 1898 1968 include a directory of publishers A Concordance to the Book of Common Prayer Joseph Courtney Jones, 1898 A Concordance to the Book of Common Prayer, According to the Use of the Protestant **Episcopal Church, in the United States of America** J.
