

The background of the entire page is a high-contrast, close-up photograph of several Timken bearings. In the upper left, a bearing is shown from a side-on perspective, revealing its inner ring, outer ring, and the arrangement of balls. Below it, another bearing is shown from a similar angle. In the foreground, two more bearings are visible, but they are partially obscured by the text overlay. The lighting is dramatic, highlighting the metallic surfaces and the precision engineering of the components.
