

General Guidelines for Answering Essay Questions

1st Sentence: State your central idea in a way that answers the original question.

2nd Sentence: Give your first example in support of that central idea.

3rd Sentence: Explain how your first example supports the central idea.

4th Sentence: Give your second example in support of the central idea.

5th Sentence: Explain how your second example supports the central idea.

Repeat the previous two steps as time allows.

Tips For Answering Essay Questions:

Gce A Level Economics: The Examination Skills Guide (Second Edition) Christabelle Soh, 2023-03-21 Why do hard working students who understand all the economic concepts not do well in GCE A Level Economics examinations The reason is surprisingly simple There are two areas that students need to do well in content mastery and Economics specific examination skills Students who have revised the content thoroughly could still perform poorly because they lack the latter This book is meant to fill this gap by being the first book that makes the full range of these examination skills explicit Newly updated to follow the 2023 Economics syllabus the skills covered in this book are organized by question type The first section covers the skills needed to answer case study questions and the second section covers the skills needed to answer essay questions Each skill is illustrated using worked examples of examination type materials and questions At the end of each section a summary of the skills required is provided to enable students to do a quick revision before the relevant papers
