The Adams-Jefferson Letters Lester J. Cappon,2012-12-01 An intellectual dialogue of the highest plane achieved in America the correspondence between John Adams and Thomas Jefferson spanned half a century and embraced government philosophy religion quotidian and family griefs and joys First meeting as delegates to the Continental Congress in 1775 they initiated correspondence in 1777 negotiated jointly as ministers in Europe in the 1780s and served the early Republic each ultimately in its highest office At Jefferson s defeat of Adams for the presidency in 1800 they became estranged and the correspondence lapses from 1801 to 1812 then is renewed until the death of both in 1826 fifty years to the day after the Declaration of Independence Lester J Cappon s edition first published in 1959 in two volumes provides the complete correspondence between these two men and includes the correspondence between Abigail Adams and Jefferson Many of these letters have been published in no other modern edition nor does any other edition devote itself exclusively to the

exchange between Jefferson and the Adamses Introduction headnotes and footnotes inform the reader without interrupting the speakers This reissue of The Adams Jefferson Letters in a one volume unabridged edition brings to a broader audience one of the monuments of American scholarship and to quote C Vann Woodward a major treasure of national literature

The Papers of Thomas Jefferson, Retirement Series, Volume 21 Thomas Jefferson, 2025-04-29 A definitive new volume of the retirement papers of Thomas Jefferson The 533 documents in this volume include revealing material on Jefferson's health He is limited to a liquid diet for weeks due to an abscess under his jaw Although daily horseback rides take him 3 or 4 to 8 or 10 miles without fatigue he cannot walk further than my garden He has lost only one tooth due to age and is glad not to need teeth of porcelain Due to debility Jefferson's only serious occupation is the effort to open the University of Virginia Francis W Gilmer travels to Great Britain to recruit professors and buy a library and apparatus Jefferson is determined to hire only faculty of the first grade of science The Rotunda is still unfinished but fit for use until funds may occur to complete it Jefferson predicts that a plan to send freed African Americans to Africa will fail He observes that barbarism is in decline and will in time I trust disappear from the earth To another correspondent he defends the principles which have guided my public life but adds that when altered circumstances make changes of principle beneficial then let such changes take place and the means yield to the end *Boys' Life*, 1976-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
