Olive Dinah Maria Mulock Craik, 1875 The Dark God Nicholas R. Mann, 1996 It started in August of 1972 Nicholas R Mann like many other western spiritual seekers journeyed to the mystic East in search of enlightenment Instead he descended into darkness Set up and arrested for possession of a small quantity of hashish Mann was imprisoned at Bayrampasa the same hellish Turkish prison made famous by Willie Hayes in the book and the movie Midnight Express Rather than denying the darkness and brutality of life in prison Mann embraced it Virtually cut off from the rest of the world he turned to a daily practice of yoga and meditation His prison became his monastery Raw emotional and intense The Dark

God chronicles Mann's spiritual odyssey. Drawing upon the traditions of his ancestors, life in prison became a shamanic vision quest. While deep in this dark world, he discovered a powerful transformative means through which the divine masculine can at last become whole and once more rejoin the divine feminine. The Dark God reveals the true secrets of Men's Mysteries. It brings the Dark God back into balance with the Goddess. Included are rites that will open you to the Goddess and reconcile the majesty, power, and importance of the God in your life and the world. By facing the fear and denial surrounding the mythic figure of the Dark God, Nicholas Mann sheds light on the darker side of masculine spirituality. May the Best Man Win. P. McDevitt, 2004-04-16. As Britain's great power status came to be increasingly challenged in the decades before the First World War, one by-product of the resultant uncertainty was the weakening of the Victorian middle-class consensus of what constituted ideal manhood. Britain's empire was not only the source of wealth and power, but it simultaneously provided alternative models of masculinity and nationhood. Consequently, the empire and the commonwealth played an important role in defining imperial gender relations in both Britain and in the colonies and dominions. May the Best Man Win investigates the continual re-assessment and reassertion of various masculine ideals associated with sport in the British empire between 1880 and 1935.
