Antimicrobial Stewardship for Nursing Practice Molly Courtenay, Enrique Castro-Sánchez, 2020-01-30 Drug resistant infections are one of the greatest threats to human health and with resistance on the rise appropriate antimicrobial stewardship AMS is more important than ever This book written by nurses for nurses provides a clear and concise approach to good practice in this vital area Based on published international research by the editors and international experts in AMS this new book explores all aspects of AMS It explains the practices that ensure optimal use of antibiotics for the best clinical outcome with both minimal toxicity to the patient and minimal impact on subsequent antimicrobial resistance The first textbook applied directly to antimicrobial stewardship for nurses it is underpinned by a competency framework endorsed by scientific and professional societies including The National Institute for Health and Care Excellence NICE **Johannesburg Stock Exchange**, 1987 **McGregor's who Owns Whom** Robin McGregor, 1992 *Cape peninsula* South Africa. Department of Posts and Telecommunications, 1998 *The Flight of A Nightingale* Vijayalakshmi Banerjee, 2021-01-01 King Solomon s Mines was published in 1885 It is a popular novel by the Victorian adventure writer and fabulist Sir H Rider Haggard It is about a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party It is the first English adventure novel set in Africa and is considered to be the genesis of the Lost World literary genre **Fight for Democracy** Glenda Daniels, 2012-09-01 Fight for Democracy is a penetrating and critical scrutiny of the ANC s treatment of the print media since the inception of democracy in 1994 In this book Glenda Daniels does not hide behind a veil of detachment but instead makes a passionate argument for the view that newspapers and journalists play a significant role in the deepening of democratic principles Glenda Daniels examines the pattern of paranoia that has crept into public discourse about the media and the ANC and their conflictual relationship She analyses this fraught relationship through various popular media stories such as Manto and Mondli Zapiro and Zuma Her argument is that there is some hysteria on the part of the ruling party and its allies for instance the SACP regarding the media s expos s which partially rests on the problem of conflating party state and the people Daniels presents her argument against the backdrop of the impending clamp down on media freedom the twin threats of the Protection of State Information Bill Secrecy Bill and the media appeals tribunal both of which she asserts signify closures in South Africa s democracy The book challenges the view held by the ANC that journalists are anti transformation and that they take instruction from the owners of the media houses that they are capitalist bastards and enemies of the people **Business History of Hospitals in the 20th Century** Paloma Fernández Pérez, 2024-06-14 This book offers a business history of modern hospitals in the 20th century Presenting case studies from around the world it examines the long term institutional and historical evolution of hospital organization and management models applying a business history approach to do so Drawing on reports from international organizations and other historical data it explores the evolution path dependencies actors and institutions that

have shaped the diversity of hospital organization and management models At the same time it analyzes the historical origins of major problems faced by today's hospitals such as cost inefficiencies lack of specialized human capital etc The contributing authors cover topics such as the history of hospital finance and accounting hospital price regulation entrepreneurship models hospital privatization and hospital governance The book will appeal to scholars and students of economic and business history and to anyone interested in the history of hospitals **Contac** ,1998 **SAMT** ,1997 Financial Mail ,2005-04

Viral Hemorrhagic Fevers Sunit K. Singh, Daniel Ruzek, 2016-04-19 Viral hemorrhagic fevers have captured the imagination of the public and made their way into popular books and movies by virtue of their extreme virulence and mysterious origins Since 2001 concerns have grown about the potential use of many hemorrhagic fever viruses as biological weapons This has led to a resurgence in research to develop improv **Patent journal, including trade marks, designs, and copyright in cinematograph films** ,1998-07 *Who's Who in American Nursing, 1993-1994* ,1993 **The Survival Guide to Maputo** ,2005 *The Report: Dubai 2019* Oliver Cornock, Near term sentiment is on the rise amongst Dubai's business leaders with the IMF forecasting a healthy GDP growth rate of 4.2% in 2019 for the emirate While not as exposed as some of its regional neighbours to the effects of fluctuating commodities prices in recent times Dubai nevertheless stands to benefit from the knock on effects of higher prices over the last year *Service Business Model Innovation in Healthcare and Hospital Management* Mario A. Pfannstiel, Christoph Rasche, 2016-12-16 This book demonstrates how to successfully manage and lead healthcare institutions by employing the logic of business model innovation to gain competitive advantages Since clerk like routines in professional organizations tend to overlook patient and service centered healthcare solutions it challenges the view that competition and collaboration in the healthcare sector should not only incorporate single end services therapies or diagnosis related groups Moreover the authors focus on holistic business models which place greater emphasis on customer needs and put customers and patients first The holistic business models approach addresses topics such as business operations competitiveness strategic business objectives opportunities and threats critical success factors and key performance indicators The contributions cover various aspects of service business innovation such as reconfiguring the hospital business model in healthcare delivery essential characteristics of service business model innovation in healthcare guided business modeling and analysis for business professionals patient driven service delivery models in healthcare and continuous and co creative business model creation All of the contributions introduce business models and strategies process innovations and toolkits that can be applied at the managerial level ensuring the book will be of interest to healthcare professionals hospital managers and consultants as well as scholars whose focus is on improving value generating and competitive business architectures in the healthcare sector **Business Model Innovation as a Dynamic Capability** Marc Sniukas, 2020-07-21 This study adopts a dynamic capabilities perspective to explore the activities and processes through which business model innovations arise in established organisations New and innovative business models are

fundamental to the commercialisation of the latest technologies performance and competitive advantage as well as value creation for customers the focal company and its ecosystem Yet our current understanding of how established companies design and implement new business models is limited by a lack of empirical research Based on a review of relevant literature business model innovation is presented and explored as a dynamic capability The book subsequently uses proven methodologies to gather and analyse data from five case studies in the manufacturing financial services media consulting and healthcare industries The framework developed here offers a novel understanding of how business model innovations come about in established organisations a practice it dubs crafting business models in statu nascendi *Enough Said!* Zubi Adams,2014-08-06 If you make your bed you lie in it my parents used to say growing up in a very traditional household with my father as the head and my mom the caregiver When I got married I wanted moreI wanted some independence My life took a turn when I discovered my marriage was a lie In the midst of getting out I was raped got pregnant and was trapped in the marriage The situation got worse and the battle to escape was a challenge that I do not wish on my worst enemy Riddled with guilt of not wanting my son made me overcompensate for the injustice against this innocent child I was determined to get out even if it meant I left the crime scene in a body bag I remarried a loving and amazing man but my past was an invisible obstacle which made me angry and happy on the same day My battle to survive against all odds came at a pricepost traumatic stress disorderand many sessions with a psychologist and psychiatrist helping me to have a better relationship with my son and to get to know myself better with the goal to heal *Accessing Post-School Studies* Venicia McGhie & Madge du Preez,2017-12-01 Accessing Post School Studies A student s GPS to successful learning makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and S lj The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment Prof Victor N Teise Sol Plaatje University Kimberley South Africa

Mandela: My Prisoner, My Friend Christo Brand,Barbara Jones,2014-11-18 Raised in a multi ethnic farming community Afrikaner Christo Brand was confused and saddened when he first confronted the realities of South African apartheid Conscripted into the military at 18 Brand chose to serve as a prison guard rather than embrace the brutality and danger inherent in the work of soldiers and policemen Assigned to the maximum security facility on remote Robben Island Brand was given charge of the country s most infamous inmate Nelson Mandela For 12 years Brand watched Mandela scrub floors empty his toilet bucket grieve over the deaths of family and friends yet remain as strong as any freedom fighter in history Won over by Madiba s charm and authentic concern for the well being of others Brand became Mandela s confidant and at times accomplice Celebrating triumphs and suffering through many setbacks the two men formed an unlikely bond

one that would endure until Mandela's death Told with candor and reverence Mandela My Prisoner My Friend is both a meditation on friendship and a moving testament to the dedication determination and most of all humanity exuded by one of the world's great leaders
