context of its time and amongst his own contemporaries but also to make a case for the importance of this body of work in its own right particularly in its promulgation of original and innovative ideas Holmes's poetry represents a particularly unique combination of traditional verse form coupled with innovative and esoteric subject matter often drawing upon Eastern Buddhist philosophy as well as Western Romanticism and Pantheism and so deserves to be more widely recognized as being wholly distinctive within the canon of Victorian and Modern poetry

Christian Nation, 1927 **The Lover of a Subversive is Also a Subversive** Martín Espada, 2010 Essays from a nationally acclaimed Latino poet *Faith, Leadership and Public Life* Preston Manning, 2017-10-15 The connection between faith leadership and public life is a complex one as Preston Manning knows all too well from his years as a scout and trailblazer on Canada's political frontiers Now in his new book *Faith Leadership and Public Life* Leadership Lessons from Moses to Jesus he fearlessly tackles this subject by drawing upon his own years in Canada's parliament and political arena and upon relevant lessons to be learned from the public lives of the founding giants of Judaism and the Christian faith Starting with the public life of Jesus himself he also draws upon the experience of those leaders whom Jesus most frequently referenced such as Moses and David as well as examining the lives of leaders such as Joseph and Daniel who were called upon to exercise their faith in societies and political systems hostile to their beliefs He challenges people of faith today to learn from their examples about how to conduct ourselves responsibly at the faith political interface while bringing what Jesus called salt and light to bear on the political issues and structures of our times If you are a person of faith currently active in politics or leadership or contemplating involvement in either the following pages will help you in meeting those challenges
