Song Anthony Ryan, 2020-08-04 A matchless warrior is pitted against a near God in the second epic installment of the Raven's Blade series. It has long been our lot in life, brother, to do what others can't. Vaelin Al Sorna was known across the realm as the greatest of warriors, but he thought battles were behind him. He was wrong. Prophecy and rumor led him across the sea to find a woman he once loved and drew him into a war waged by the Darkblade, a man who believes himself a god and one who has gathered a fanatical army that threatens all of the known world. After a costly defeat by the Darkblade, Vaelin's forces are shattered while the self-proclaimed immortal and his army continue their terrible march. But during the clash, Vaelin regained some of the dark magic that once gave him unrivaled skill in battle. And though the fight he has been drawn into seems near unwinnable, the song that drives him now desires the blood of his enemy above all else. *The Waking Fire* Anthony Ryan, 2017-05-02

The New York Times bestselling Raven's Shadow Trilogy was a perfect read for fans of broadscale epic fantasy along the lines of Robert Jordan's Wheel of Time series and George R. R. Martin's Song of Ice and Fire novels. Now Anthony Ryan begins a new saga. The Draconis Memoria. Throughout the vast lands controlled by the Ironship Trading Syndicate, nothing is more prized than the blood of drakes. Harvested from captive or hunted Reds, Greens, Blues, and Blacks, it can be distilled into elixirs that bestow fearsome powers on the rare men and women known as the Blood-blessed. But not many know the truth that the lines of drakes are weakening. If they fail, war with the neighboring Corvantine Empire will follow swiftly. The Syndicate's last hope resides in whispers of the existence of another breed of drake, far more powerful than the rest, and the few who have been chosen by fate to seek it. Claydon Torcreek is a petty thief and an unregistered Blood-blessed who finds himself pressed into service by the Protectorate and sent to wild, uncharted lands in search of a creature he believes is little more than legend. Lizanne Lethridge is a formidable spy and assassin facing gravest danger on an espionage mission deep into the heart of enemy territory. And Corrick Hilemore is the second lieutenant of an Ironship cruiser whose pursuit of ruthless brigands leads him to a far greater threat at the edge of the world. As lives and empires clash and intertwine as the unknown and the known collide, all three must fight to turn the tide of a coming war or drown in its wake.

Library Journal **The Lord Collector: A Raven's Shadow Novella** Anthony Ryan, 2019-02-01 Author's Note: The following story takes place in the same world as my novel Blood Song, the first volume in the Raven's Shadow trilogy. I wrote it because I wanted to more fully explore characters who appear in Blood Song and the sequels Tower Lord and Queen of Fire. Readers familiar with my work are sure to recognize a certain pale-eyed, raspy-voiced Sword Master of the Sixth Order, and those curious as to the origins of the Tower Lord of the Southern Shore will find answers here. The tale takes place at the midpoint of the timeline described in Blood Song, a time when King Janus, with typical ruthlessness, is in the process of fully consolidating his grip on the Unified Realm. The Lord Collector by Anthony Ryan, a grim introduction to our protagonist Jehrid, leader of an Excise Guard unit, think a kind of investigative military to kick this story off. Jehrid is tasked by his Tower Lord with working with Brother Sollis of the Sixth Order and two others with finding a passenger from a month-old shipwreck. But
