Church Talk Makes Men Walk Woody L. Davis, 2017-07-13 The mystery of the missing men can be answered in one sentence The church has forgotten how to speak to men While the church s language has excluded women in its use of nouns and pronouns it has excluded men in everything else Its content character and construction say You don t belong here Church Talk Makes Men Walk Corrects the myth that men are innately non religious or non spiritual Demonstrates how the culture increasingly reflected in church talk has filtered action oriented people out of the church in favor of relationally orientated ones Demonstrates that the same factors that have driven most men from the church have also driven like minded women away Provides research based and theologically informed solutions to the problem of the missing action oriented men and women Chapters presenting well documented social science research alternate with chapters presenting practical steps that answer the question So what should the church do Written in a conversational humorous and sometimes confessional style Church Talk bridges the gap between the academy and the local church It shows how language that is inclusive of both women and men relational and action oriented can create a church that is once again gender balanced and missional

The One Mind Matthew A. Fike, 2013-10-08 The One Mind C G Jung and the Future of Literary Criticism explores the implications of C G Jung s unus mundus by applying his writings on the metaphysical the paranormal and the quantum to literature As Jung knew everything is connected because of its participation in universal consciousness which encompasses all that is including the collective unconscious Matthew A Fike argues that this principle of unity enables an approach in which psychic functioning is both a subject and a means of discovery psi

phenomena evoke the connections among the physical world the psyche and the spiritual realm Applying the tools of Jungian literary criticism in new ways by expanding their scope and methodology Fike discusses the works of Hawthorne Milton Shakespeare Wordsworth and lesser known writers in terms of issues from psychology parapsychology and physics Topics include the case for monism over materialism altered states of consciousness types of psychic functioning UFOs synchronicity and space time relativity The One Mind examines Goodman Brown s dream Adam s vision in Paradise Lost the dream sequence in The Wanderer the role of metaphor in Robert A Monroe s metaphysical trilogy Orfeo Angelucci s work on UFOs and the stolen boat episode in Wordsworth s The Prelude The book concludes with case studies on Robert Jordan and William Blake Considered together these readings bring us a significant step closer to a unity of psychology science and spirituality The One Mind illustrates how Jung s writings contain the seeds of the future of literary criticism Reaching beyond archetypal criticism and postmodern theoretical approaches to Jung Fike proposes a new school of Jungian literary criticism based on the unitary world that underpins the collective unconscious This book will appeal to scholars of C G Jung as well as students and readers with an interest in psychoanalysis literature literary theory and the history of ideas **A Memory of**
