The Wise Company Ikujirō Nonaka, Hirotaka Takeuchi, 2019 From knowledge to wisdom The foundations of knowledge practice Towards a model of knowledge creation and practice Judging goodness Grasping the essence Creating Ba Communicating the essence Exercising political power Fostering practical wisdom in others Epilogue **Toyota's Recalls and the Government's Response** United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2011 **Shōwa Japan: 1952-1973** Stephen S. Large, 1998 The influential articles reprinted in this set with a major new introduction offer a rich variety of perspectives on this vital and controversial period in twentieth century Japanese history **Automotive Industrialisation** Kaoru Natsuda, John Thoburn, 2020-10-14 This book looks at the industrial policies of Southeast Asian economies in their motor vehicle industries from early import substitution to policy making under the more liberalised WTO policy regime The book examines how inward automotive investment especially from Japan has been affected by policies and how such investment has promoted industrial development in the late industrialising economies within ASEAN Association of Southeast Asian Nations It provides insights into the automotive industry of Southeast Asia in terms of production volumes sales volumes market structure and trade Through country case studies the book is a useful reference and illustrates how industrial policies in Southeast Asia have affected the spread of automotive development in the region It will appeal to policy makers and researchers interested in the automobile industry industrial policies in the industry and the spread of development from foreign investors to local firms **The Purpose and Power of Authority** Myles Munroe, 2010-12-03 In Understanding the Purpose and Power of Authority best selling author Dr Myles Munroe turns the widely accepted but counterfeit concept of authority upside down Then he reveals God's original intent showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others Many people view authority as something oppressive stifling and even fearful All of us hate to be controlled or manipulated Our negative concepts and experiences of authority produce life draining emotions fear distrust suspicion friction defensiveness antagonism stress worry and dread Others have a limited perspective of what authority means believing that only people who reach a certain level in life can exercise it They don't believe they could ever be called to a place of authority The truth is we were all created for authority and we are all answerable to the authority of others Authority is what we're authorized to do by our inherent purposes You have a God given calling to develop your own personal authority to carry out your unique purpose in life *Understanding the Purpose and Power of Authority* Myles Munroe, 2024-04-23 We often view authority as something oppressive stifling even fearful And sometimes perhaps too often those impressions bear out in reality We live in an era of overstepped boundaries and abuse in many fields of life so that authority has become the enemy We may also have a limited idea of what authority means Even with legitimate authority we may believe that only people who reach a certain level in life can exercise leadership not thinking we could ever be called to

a place of authority ourselves In Understanding the Purpose and Power of Authority best selling author Dr Myles Munroe offers a positive response to today s leadership crisis He turns widely accepted but counterfeit concepts of authority upside down Then he reveals God s original intent showing us how to live in the freedom of our own personal authority deal with negative authority and respond positively to the inherent authority of others This culture transforming book explains that we were all created for authority It is what we re authorized to do according to our inborn purposes In various ways we are also answerable to the authority of others This is actually a benefit to us freeing us to become who we were created to be and enabling us to function grow and prosper in life Dr Munroe calls authority the beautiful principle because it is a means of providing the resources protection refreshment growth accomplishment fulfillment and satisfaction we all need in life This book invites you to develop your own personal authority so you may fulfill your unique purpose for the betterment of our world

the Mind of Toyota Satoshi Hino, 2024-11-01 Winner of a Shingo Research and Professional Publication Award Toyota's sustained growth attracts the attention of economists and industrialists around the world eager to learn the secrets of Toyota's lasting success In Inside the Mind of Toyota Management Principles for Enduring Growth Satoshi Hino examines the source of Toyota's strength the fundamental thinking and management structures that lie beneath the creation of its famed Toyota Production System From the perspective of a professional with 30 years experience in the auto industry Hino presents a fresh and detailed analysis of Toyota's essential management system from its very beginnings into the 21st century The ultimate goal is not simply to mimic Toyota's formula but to learn from it and in doing so surpass it From the Translator's Foreword Unlike most Toyota watchers Hino urges us to set our sights not on replicating Toyota's success but on surpassing

it This point is crucial because it moves our attention away from slavish imitation of what is visible on the surface and challenges us to tap into deeper and more powerful mechanisms of excellence This is not a cookbook and it is not Toyota Lite It deserves serious study application and experimentation Learn how Toyota thinks Hino is telling us Learn Toyota s strengths make them your own and then exceed them Andrew Dillon September **The Family Business Map** M. Bennedsen,J. Fan,2014-09-29 Combining the expertise of two consultants and academics from East and West this book provides an international guide for family businesses showing how to identify and implement the best governance strategies Packed with case studies and interviews this is the ultimate guide for family businesses wanting to achieve long term success

Japan's Cultural Code Words Boye Lafayette De Mente,2011-07-12 Japan s Cultural Code Words offers a study of Japanese society through analysis of key terms and concepts that define Japanese attitudes and behaviors Japan s traditional culture is so powerful that it continues to be the prevailing force in molding and tuning the national character of the Japanese resulting in a society that simultaneously emphasizes both the modern and the traditional The best and fastest way to an understanding of the traditional emotional side of Japanese attitudes and behavior is through their business and cultural code words key terms that reveal in depth their psychology and philosophy The book features 233 essays arranged alphabetically from Ageashi Tripping on Your Own Tongue to Zenrei Breaking the Molds of the Past that dive into these code words Long term expatriate and internationally renowned Japanologist Boye Lafayette De Mente offers personal insights into the extremes of Japanese behavior and the dynamics of one of the world s most fascinating societies **Rediscovering Japanese Business Leadership** Yozo Hasegawa,2011-08-24 Who are Asia s biggest business leaders What kind of leadership skills and philosophies do they possess that have put them at the forefront of their respective industries What makes these business leaders in particular best equipped to meet the challenges of a 21st century global economy In *Rediscovering Japanese Business Leadership* we gain insights into the leadership strategies of Japan s most successful global brands including Toyota Canon and Nintendo This book will be the first title in a series on Asian business leaders leading companies and corporate philosophies in the 21st century The inaugural volume will focus on business leaders and strategies at Japanese companies that are not only driving and reshaping their respective industries in the 21st century but are demonstrating a knack for consistently meeting the various challenges of today s rapidly changing world **De Gruyter**

Handbook of Business Families Michael Carney,Marleen Dieleman,2023-01-30 The management field increasingly recognizes that most firms in the world are family firms and that these entities operate differently from the non family firms on which most of our current management theories are based The *De Gruyter Handbook of Business Families* brings together work from leading academics who explore emerging research themes relevant to business families particularly drawing in new insights from adjacent disciplines that can advance the family business field The handbook challenges the traditional notion of the single firm single family that has characterized most early research on family business Recognizing that families

may simultaneously own or control multiple businesses as well as substantial wealth beyond these firms in the form of financial and non financial assets this handbook focuses on business families rather than the narrower construct of family business The contributions in this handbook explore the relatively neglected dynamics between individuals with family ties that shape the interaction between family and business business families with multiple businesses how business families adopt formal rules and processes around their joint activities and the institutionalization of wealth and business families in society The De Gruyter Handbook of Business Families fills a gap in the family business research literature and is an essential reference work for researchers and graduate level students in the area of business families
