The one stop shop for prospective handgun buyers. The market for new handguns is expanding rapidly and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun whether you're a recreational shooter, a concealed carry permit holder, a hunter, or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically advanced alloys, polymers, and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stems from new interest in handguns primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow fire matches at local gun clubs to modern IPSC IDPA and 3 gun competitions. *Handgun Buyer's Guide* will help both the bewildered new shooter find

their feet and purchase a handgun find the best accessories and locate a place to practice on hone their skills You ll find all you need for owning a handgun in the Handgun Owner s Guide Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

The Spy Who Stayed Out in the Cold Adrian Havill,2025-08-22 Robert Philip Hansen thought he was smarter than the system For decades the quirky but respected counterintelligence expert religious family man and father of six sold top secret information to agents of the Soviet Union and Russia A self taught computer expert Hansen often encrypted his stolen files on wafer thin disks The data some 6000 pages of highly classified documents revealed precious nuclear secrets outlined American espionage initiatives and named names of agents spies who covertly worked for both sides Soviet government leaders and their successors in the Russian Federation used the stolen information to undermine U S policies and to eliminate spies in their own ranks Moscow did not allow their moles the luxury of a defense at least two men named by Hanssen were executed a third languished for years in a Siberian hard labor camp For more than twenty years Bob Hanssen was the perfect spy He personally collected at least 600 000 from his Russian handlers while another 800 000 was deposited in his name at a Moscow bank Along with the cash came Rolex watches and cut diamonds The money financed both his children s education at schools run by the elite and ultra conservative Catholic organization Opus Dei and an inexplicably strange fling with a former Ohio stripper of the year But he didn t just do it for the money he did it for the thrill and for a mysterious third reason rooted in religious mysticism He lacked the people skills to play office politics and it seemed the aging FBI analyst faced a disappointing career mired in middle management Instead he chose to become one of the most dangerous spies in America s history And no one suspected him until just weeks before his arrest Robert Philip Hanssen

thought he was smarter than the system And until February 18 2001 he was right That s when federal agents surrounded him while he was attempting to complete an exchange with his handlers at a Virginia park When the G men captured their mark they catapulted the once innocuous bureaucrat onto the front pages of every newspaper in America The most notorious spy since the Rosenbergs had finally become a victim of his own undoing Now drawing on more than 100 interviews with Bob Hanssen s friends colleagues coworkers and family members and confidential sources best selling author Adrian Havill tells the entire story you haven t read as only he can The Spy Who Stayed Out in the Cold tells not only how he did it but why
