War Girls Theresa Breslin:

War Girls Adèle Geras, Melvin Burgess, Berlie Doherty, Mary Hooper, Anne Fine, Matt Whyman, Theresa Breslin, Sally Nicholls, Rowena House, Sufiya Ahmed, 2014-06-05 1914 war has broken out across Europe and beyond Nothing will ever be the same again for those caught up in the conflict This collection of short stories explores how the First World War changed and shaped the lives of women forever A courageous nurse risks her life on the Front Line a young woman uncovers a spy in wartime London and a grief stricken sister comes to understand the heroism and sacrifice of the forgotten Indian soldiers Through these and other tales War Girls presents a moving portrait of loss and grief and of hope overcoming terrible odds Cover art by Garry Walton **Boys and Girls in No Man's Land** Susan Fisher, Susan R. Fisher, 2011-01-01 Drawing on educational materials textbooks adventure tales plays and Sunday school papers Boys and Girls in No Man's Land explores the role of children in the nation's war effort **Remembrance** Theresa Breslin, 2007-12-18 It was the largest conflict the world had ever known It covered three continents and lasted five years Millions of soldiers returned wounded millions more never returned at all In the summer of 1915 in a small village in Scotland the Great War has already begun to irrevocably alter the course of five young lives Eighteen year old John Malcolm enlists in the army eager to fight for his country His sweetheart 15 year old Charlotte stays behind to earn her nursing certificate along with John Malcolm's twin sister Maggie who recognizes the opportunity to create a new life for herself Charlotte's brother Francis sees only tragedy in the war but feels the pressure to join up And Alex below the recruiting age is determined to reach the front lines somehow British Children's Literature and the First World War David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers British Children's Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F. Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying

with one main character how do you handle two or more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults
