Resisting Rebellion Anthony Joes, 2006-08-18 In *Resisting Rebellion* Anthony James Joes's discussion of insurgencies ranges across five continents and spans more than two centuries Analyzing examples from North and South America Europe Africa and the Middle East he identifies recurrent patterns and offers useful lessons for future policymakers Insurgencies arise from many sources of discontent including foreign occupation fraudulent elections and religious

persecution but they also stem from ethnic hostilities the aspirations of would be elites and traditions of political violence Because insurgency is as much a political phenomenon as a military one effective counterinsurgency requires a thorough understanding of the insurgents motives and sources of support Clear political aims must guide military action if a counterinsurgency is to be successful and establish a lasting reconciliation within a deeply fragmented society *Warlord Survival* Romain Malejacq,2020-01-15 How do warlords survive and even thrive in contexts that are explicitly set up to undermine them How do they rise after each fall Warlord Survival answers these questions Drawing on hundreds of in depth interviews in Afghanistan between 2007 and 2018 with ministers governors a former vice president warlords and their entourages opposition leaders diplomats NGO workers and local journalists and researchers Romain Malejacq provides a full investigation of how warlords adapt and explains why weak states like Afghanistan allow it to happen Malejacq follows the careers of four warlords in Herat Sheberghan and Panjshir Ismail Khan Abdul Rashid Dostum Ahmad Shah Massoud and Mohammad Qasim Fahim He shows how they have successfully negotiated complicated political environments to survive ever since the beginning of the Soviet Afghan war The picture he paints in Warlord Survival is one of astute political entrepreneurs with a proven ability to organize violence Warlords exert authority through a process in which they combine instrumentalize and convert different forms of power to prevent the emergence of a strong centralized state But as Malejacq shows the personal relationships and networks fundamental to the authority of Ismail Khan Dostum Massoud and Fahim are not necessarily contrary to bureaucratic state authority In fact these four warlords and others like them offer durable and flexible forms of power in unstable violent countries *Strongest Villain System* Hei PaoLaoZu,2020-03-09 With the strongest villain system he has the ability to see through all camouflage Even his force is invincible Who else can be his opponent in this world When he was playing online games happily on a thunderstorm night a thunder hit him then his soul traveled through time and space to a strange world where strong are respected As an ordinary earth person he didn t have the slightest force which caused him fretful What meaning does he have in this world without force As he cursed a voice suddenly came to his mind Congratulations the strongest villain system has been activated It turned out that this is what sets him apart With this system although fake people who are disguised as tightly as possible he can recognize them at a glance those who approach him with bad purpose he can defeat them immediately In this world no one will ever be his opponent About the Author Hei Pao Lao Zu an outstanding online novelist He has authored many novels each of which is an excellent product in the minds of readers His novels have received high ratings on Chinese literature websites **Of Destiny's Daughters** R. J. Hore,2019-01-07 When a gigantic damaged spaceship suddenly appears over Ottawa requesting assistance the world is thrown into confusion Why are they really here If they are having problems what caused the damage Then there is the Thorncroft family Paul is depressed and gets sucked up into a spaceship Lucile and her ex military girlfriends are bored and looking for a fight romance or something to break up the monotony Their mother Martha is trying to hold the family

together while she deals with her husband's PTSD and alcoholism Everyone else is trying to discover the alien's secrets and befriend them or destroy them and anyone who has dealings with them *Arming the Chinese, Second Edition* Anthony B. Chan, 2011-01-01 The existence of warlords and warlordism is not a post 9/11 phenomenon The international arms trade has a long history and includes the sale of foreign weapons to Chinese warlords after the First World War First published in 1982 this book remains the classic account of the arms trade in warlord China The second edition includes a new preface that reframes the argument within the paradigm of critical militarism and state criminality *Arming the Chinese* tells the story of the warlords who sought weapons for their expanding armies and of the merchants and governments in Europe Japan and the United States who provided them Although the warlords were hearty individualists who retained control over domestic affairs and rarely relied on single foreign suppliers the armaments trade Chan argues was a new form of imperialism which perpetrated the continued Western and Japanese domination of China *Prophecies, Libels & Dreams* Ysabeau S. Wilce, 2014-10-20 Praise for Ysabeau S. Wilce's previous books This fresh and funky setting is rich with glorious costumes innovative language and tantalizing glimpses of history Kirkus Reviews starred review These interconnected stories are set in an opulent quasi-historical world of magick and high manners called the Republic of Califa The Republic is a strangely familiar place a baroque approximation of Gold Rush era California with an overlay of Aztec ceremony yet the characters who populate it are true originals rockstar magicians murderous gloves bouncing boy terrors blue-tinted butlers sentient squids and a three-year-old Little Tiny Doom and her vengeful pink plush pig By turn whimsical and horrific sometime in the same paragraph Wilce's stories have been characterized as screwball comedies for goths but they could also be described as historical fantasies or fanciful histories for there are nuggets of historical fact hidden in them there lies Ysabeau S. Wilce is the author of *Flora Segunda* Andre Norton Award winner *Flora's Dare* and *Flora's Fury* and she has published work in Asimov's *Steampunk* and *Fantasy Science Fiction* She lives in San Francisco California ***Tritan's Journey*** K. G. Bell, 2001-11-07 *Tritan's Journey* is a fictional story set in the realm of imagination It highlights the major conflicts between good and evil expressing with profoundness the violence and debauchery that have engulfed civilizations past and present This book attempts to define the relationship between gods and mortals telling the story of pride greed and power that spark vicious wars and shows the agony dismay confusion and heroism that embrace warriors caught up in the fires of war and politics and decadence Tritan is a tool of the gods and the conscience of mortals springing from the abyss of confusion in the realm to champion the cause of right He will dispel turmoil and bring peace to all the battlefields of the realm From the far kingdom of imagination this illustrious demigod must rise up to face all challenges and erase the frailties of the realm and take command of a mortal world galloping high and low to keep the light of hope shining *Tritan's Journey* is a grand adventure into the world of imagination which attempts to enlarge our experiences extend our sympathies and deepen our understanding to make us more complete The plots are laden with dangers mystery and conflict And the characters lead us

breathlessly and surprisingly towards new questions and answers revealing many truths about life and ourselves

NexLord: Dark Prophecies Philip Blood,2010-04-12 The NexLord series is a traditional fantasy in the sense that it deals with strong good and evil The focus of this epic fantasy story are four young people caught up in a deadly struggle started long ago It explores the good and evil power of all emotions The magic system is based on emotion and deals with the power of group beliefs and self fulfilling prophecy The setting of the story is a unique planet where all normal human emotional tendencies are magnified Humans are not alone there and four other intelligent races inhabit the lands as well Prejudice runs rampant and wars based on racial hatred have plagued the lands for hundreds of years The emotions of hate and fear have coalesced into one place and continuously inhabit the body of a human known as the Dreadmaster This being continuously gathers and wields these evil powers The ever growing power exists independently of the human vessel it inhabits and when the body is destroyed it is only a matter of time until the power inhabits a new vessel To combat the Dreadmaster s power all free humans gathered at one time and created a power fueled by their common belief and emotional need a power that can be given to a NexLord Using a check an balance system to keep this power from being abused a test was created Those who pass this test become Knights of the Realm known as NexLords The NexLords and their Bondsmen are the one counter to the Dreadmaster s power But with the ending of the Final War the last of the NexLords disappeared into the east warning that the Dreadmaster s power was still out there but no one listened or believed For three hundred years now there has not been a new Dreadmaster and no one in the Human Realm has followed the difficult path to become a NexLord However there is a Prophecy spreading across the land a prophecy that tells of the coming of a new NexLord who will bring a golden age But what it predicts is about to go terribly wrong for there is another prophecy a Dark Prophecy and the world is about to change to that path Dark Prophecies is the first novel of a three book Fantasy Epic series A mysterious old woman named Mara comes to teach four children who have been foretold in two dire prophecies The kids have wild adventures while forming strong bonds Mara teaches them to fight and much more for the mysterious old woman knows what the future holds for these children and their coming will shake the world

Fundamentalism in America Philip Melling,2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millenialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing Fundamentalism in America provides a vital and compelling account of the present state of religious and nationality identity in the United States
