Was Lincoln A Racist Essay

Pia Wiegink

Was Lincoln A Racist Essay:

Lincoln on Race & Slavery Henry Louis Gates, 2024-11-01 The acclaimed scholar presents the most comprehensive collection of Lincoln's writings on race and slavery Abraham Lincoln issued the Emancipation Proclamation and supported a constitutional amendment to outlaw slavery yet he also harbored grave doubts about the intellectual capacity of African Americans publicly used the n word until at least 1862 and favored permanent racial segregation Now Henry Louis Gates Jr shines a light on these contradictions through Lincoln's own words *Lincoln on Race Slavery* presents the full range of Lincoln's views gathered from his private letters speeches official documents and even race jokes arranged chronologically from the late 1830s to the 1860s Complete with definitive texts rich historical notes and an original introduction by Henry Louis Gates Jr this book charts the progress of a war within Lincoln himself We witness his struggles with conflicting aims and ideas a hatred of slavery and a belief in the political equality of all men but also anti black prejudices and a determination to preserve the Union even at the cost of preserving slavery We also watch the evolution of his racial views especially in reaction to the heroic fighting of black Union troops At turns inspiring and disturbing *Lincoln on Race and Slavery* is indispensable for understanding what Lincoln's views meant for his generation and what they mean for our own *The Best American History Essays on Lincoln* Organization of American Historians, 2016-04-30 This new volume in the Best American History Essays series brings together classic writing from top American historians on one of our greatest presidents Ranging from incisive assessments of his political leadership to explorations of his enigmatic character to reflections on the mythos that has become inseparable from the man each of these contributions expands our understanding of Abraham Lincoln and shows why he has been such an object of enduring fascination Contributions include James McPherson on Lincoln the military strategist Richard Hofstadter on the Lincoln legend Edmund Wilson on his contribution to American letters John Hope Franklin on the Emancipation Proclamation James Horton on Lincoln and race David M Potter on the secession Richard Current on Lincoln's political genius Mark Neely on Lincoln and civil liberties **"Lincoln's Humor" and Other Essays** Benjamin P. Thomas, 2024-04-22 This volume gathers the best previously unpublished and uncollected writings on Abraham Lincoln and Lincoln scholarship by one of his great biographers Benjamin P Thomas A skilled historian and a masterful storyteller himself Thomas was widely regarded as the greatest Lincoln historian of his generation With these essays he combines historical depth with narrative grace in delineating Lincoln's qualities as a humorist lawyer and politician From colorful tall tales to clever barbs aimed at political opponents Lincoln clothed a shrewd wit in a homespun backwoods vernacular He used humor to defuse tension illuminate a point put others at ease and sometimes for sheer fun From an early reliance on broad humor and ridicule in speeches and on the stump Lincoln's style shifted in 1854 to a more serious vein in which humor came primarily to elucidate an argument If I did not laugh occasionally I should die he is said to have told his cabinet and you need this medicine as much as I do Thomas brings his deep knowledge of Lincoln to essays on the great man

s tumultuous career in Congress his work as a lawyer his experiences in the Courts and his opinions of the South A gracious survey of Lincoln s early biographers particularly Ida Tarbell stands alongside an appreciation of Harry Edward Pratt a key figure in the early days of the Abraham Lincoln Association Thomas also assesses Lincoln s use of language and the ongoing significance of the Gettysburg Address This diverse collection is enhanced by an introduction by Michael Burlingame himself a leading biographer of Lincoln Burlingame provides a balanced portrait of Thomas and his circuitous path toward writing history

The Collected Works of Langston Hughes: Essays on art, race, politics, and world affairs Langston Hughes,Dolan Hubbard,Leslie Catherine Sanders,2001 The sixteen volumes are published with the goal that Hughes pursued throughout his lifetime making his books available to the people Each volume will include a biographical and literary chronology by Arnold Rampersad as well as an introduction by a Hughes scholar lume introductions will provide contextual and historical information on the particular work

Essays on Race and Empire Nancy Cunard,2002-08-12 This edition assembles the major essays on race and imperialism written by Nancy Cunard in the 1930s and 1940s As a British expatriate living in France and as a politically engaged poet editor publisher and journalist Nancy Cunard devoted much of her energy to the cause of racial justice This Broadview edition contextualizes Cunard s writings on race in terms of the relations among modernism gender and empire It includes a range of contemporaneous documents that place her essays in dialogue with other European writers and with the work of writers of the African diaspora

Lincoln's Enduring Legacy Robert P. Watson,William D. Pederson,Frank J. Williams,2010-12-16 Coming on the heels of the bicentennial of Abraham Lincoln s birth Lincoln s Enduring Legacy offers highly readable and accessible perspectives on Lincoln at 200 in terms of his impact on great leaders and thinkers and his place in American history The book explores how Lincoln s words and deeds have influenced the pursuit of justice and freedom and the practice of democracy in the century and a half since he governed Lincoln as an abolitionist the architect of Reconstruction an avowed Unionist a wordsmith and rhetorician his age s foremost prophet for democracy and America s greatest president remains an iconic image in American memory

The Radical and the Republican James Oakes,2011-02-07 A great American tale told with a deft historical eye painstaking analysis and a supple clarity of writing Jean Baker My husband considered you a dear friend Mary Todd Lincoln wrote to Frederick Douglass in the weeks after Lincoln s assassination The frontier lawyer and the former slave the cautious politician and the fiery reformer the President and the most famous black man in America their lives traced different paths that finally met in the bloody landscape of secession Civil War and emancipation Opponents at first they gradually became allies each influenced by and attracted to the other Their three meetings in the White House signaled a profound shift in the direction of the Civil War and in the fate of the United States James Oakes has written a masterful narrative history bringing two iconic figures to life and shedding new light on the central issues of slavery race and equality in Civil War America

Race and Meaning Gary R. Kremer,2014-12-21 No one has written more about the African American experience in Missouri over the

past four decades than Gary Kremer and now for the first time fourteen of his best articles on the subject are available in one place with the publication of *Race and Meaning The African American Experience in Missouri* By placing the articles in chronological order of historical events rather than by publication date Kremer combines them into one detailed account that addresses issues such as the transition from slavery to freedom for African Americans in Missouri all black rural communities and the lives of African Americans seeking new opportunities in Missouri's cities In addition to his previously published articles Kremer includes a personal introduction revealing how he first became interested in researching African American history and how his education at Lincoln University and specifically the influence of his mentor Lorenzo Greene helped him to realize his eventual career path *Race and Meaning* makes a collection of largely unheard stories spanning much of Missouri history accessible for the first time in one place allowing each article to be read in the context of the others and creating a whole that is much greater than the sum of its parts Whether you are a student researcher or general reader this book will be essential to anyone with an interest in Missouri history

The Arrogance of Race George M.

Fredrickson, 1988 An investigation of the issue of race over a generation of labor *Ohio Valley History*, 2007 *The Leader: Psychohistorical Essays* Charles B. Strozier, Daniel Offer, 2013-11-11 PETER GAY The syllabus of errors rehearsing the offenses of psychohistory looks devastating and seems irrefutable crimes against the English language crimes against scientific procedures crimes against common sense itself These objects are real enough but their contours and their gravity mysteriously change with the perspective of the critic From the outside psychohistorians are to academic history what psychoanalysts are to academic psychology a monolithic band of fanatics making the same errors committing the same offenses all in the same way But seen close up psychohistorians just like psychoanalysts turn out to be a highly differentiated even a cheerful contentious lot Disciples of Hartmann jostle discoverers of Kohut imperialists claiming the whole domain of the past debate with modest isolationists orthodox Freudians who insist that psychoanalysis engrosses the arsenal of psychohistorical method find themselves beleaguered by sociological revisionists The charges that confound some psychohistorians glance off the armor of others Yet there are three potent objections aimed at the heart of psychohistory however it is conceived that the psychohistorian ignores at his peril It would be a convenient but it is a wholly unacceptable defense to dismiss them as forms of resistance The days are gone when the advocates of psychoanalysis could checkmate reasoned criticisms by psychoanalyzing the critic To summarize these objections psychohistory is Utopian vulgar ix x FOREWORD and trivial

Prize Essays and Transactions Highland and agricultural society of Scotland, Edinburgh, 1914

Lincoln's Body Richard Wightman Fox, 2015-02-02 An astonishingly interesting interpretation Fox is wonderfully shrewd and often dazzling Jill Lepore New York Times Book Review Abraham Lincoln remains America's most beloved leader The fact that he was lampooned in his day as ugly and grotesque only made Lincoln more endearing to millions In Lincoln's Body acclaimed cultural historian Richard Wightman Fox explores how deeply and how differently Americans black and white

male and female Northern and Southern have valued our sixteenth president from his own lifetime to the Hollywood biopics about him Lincoln continues to survive in a body of memory that speaks volumes about our nation **Lectures and Essays**

Goldwin Smith,1881 *Essays on Minority Cultures* George E. Carter,James R. Carter,1975 *The Race Problem and Other Critiques* Henry Whitcomb Holley,1891 **Loathing Lincoln** John McKee Barr,2014-04-07 While most Americans count Abraham Lincoln among the most beloved and admired former presidents a dedicated minority has long viewed him not only as the worst president in the country s history but also as a criminal who defied the Constitution and advanced federal power and the idea of racial equality In *Loathing Lincoln* historian John McKee Barr surveys the broad array of criticisms about Abraham Lincoln that emerged when he stepped onto the national stage expanded during the Civil War and continued to evolve after his death and into the present The first panoramic study of Lincoln s critics Barr s work offers an analysis of Lincoln in historical memory and an examination of how his critics on both the right and left have frequently reflected the anxiety and discontent Americans felt about their lives From northern abolitionists troubled by the slow pace of emancipation to Confederates who condemned him as a black Republican and despot to Americans who blamed him for the civil rights movement to more recently libertarians who accuse him of trampling the Constitution and creating the modern welfare state Lincoln s detractors have always been a vocal minority but not one without influence By meticulously exploring the most significant arguments against Lincoln Barr traces the rise of the president s most strident critics and links most of them to a distinct right wing or neo Confederate political agenda According to Barr their hostility to a more egalitarian America and opposition to any use of federal power to bring about such goals led them to portray Lincoln as an imperialistic president who grossly overstepped the bounds of his office In contrast liberals criticized him for not doing enough to bring about emancipation or ensure lasting racial equality Lincoln s conservative and libertarian foes however constituted the vast majority of his detractors More recently Lincoln s most vociferous critics have adamantly opposed Barack Obama and his policies many of them referencing Lincoln in their attacks on the current president In examining these individuals and groups Barr s study provides a deeper understanding of American political life and the nation itself **Abolitionist**

Cosmopolitanism: Reconfiguring Gender, Race, and Nation in American Antislavery Literature Pia Wiegink,2022-09-19 Abolitionist Cosmopolitanism redefines the potential of American antislavery literature as a cultural and political imaginary by situating antislavery literature in specific transnational contexts and highlighting the role of women as producers subjects and audiences of antislavery literature Pia Wiegink draws attention to locales authors and webs of entanglement between texts ideas and people Perceived through the lens of gender and transnationalism American antislavery literature emerges as a body of writing that presents profoundly reconfigured literary imaginations of freedom and equality in the United States prior to the Civil War **United States: Essays 1952-1992** Gore Vidal,2018-09-25 A compilation of 114 classic essays from Gore Vidal A marvelous compendium of sharp wit and independent judgment that

confirms his status as a man of letters Publishers Weekly From the age of Eisenhower to the dawning of the Clinton era Gore Vidal's United States offers an incomparably rich tapestry of American intellectual and political life in a tumultuous period It also provides the best most sustained exposure possible to the most wide ranging acute and original literary intelligence of the post World War II years United States is an essential book in the canon of twentieth century American literature and an endlessly fascinating work

The Glorious American Essay Phillip Lopate, 2020 Not only an education but a joy This is a book for the ages Rivka Galchen A monumental canon defining anthology of three centuries of American essays from Cotton Mather and Benjamin Franklin to David Foster Wallace and Zadie Smith The essay form is an especially democratic one and many of the essays Phillip Lopate has gathered here address themselves sometimes critically to American values Even in those that don't one can detect a subtext about being American The Founding Fathers and early American writers self consciously struggle to establish a recognizable national culture The shining stars of the mid nineteenth century American Renaissance no longer lack confidence but face new reckonings with the oppression of blacks and women The New World tradition of nature writing runs from Audubon Thoreau and John Muir to Rachel Carson and Annie Dillard Marginalized groups in all periods use the essay to assert or to complicate notions of identity Lopate has cast his net intentionally wide embracing critical personal political philosophical humorous literary polemical and autobiographical essays and making room for sermons letters speeches and columns dealing with a wide variety of subjects Americans by birth as well as immigrants appear here famous essayists alongside writers more celebrated for fiction or poetry The result is an extensive overview of the endless riches of the American essay
