Wayne King Livingston Book:

Short Stories from the Library of Wayne King Livingston, 2011-06 The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories not excluding Ireland It has given me great joy to write of our adventures in a format that takes the best of times stirred with some pathos of fallen friends and then mixed into the tales within These reminiscences will be treasured by my wife Pat and I forever No one character is represented in his or her entirety and no narrative can be said to be an actual event These storied chapters herein capture our lives as it might have happened I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today Not reflective in some lofty sense but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one s heart into Ireland with not much doubt is the last and most beautiful virginal country left today Thanks to flying there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth but the endowments of pastoral Ireland leave one breathless It's soft and natural charm is the result of native Irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences The Emerald Isle is a refuge from the unbridled growth of material things Time will undoubtedly take this last resort but there are those of us who have advantaged ourselves with an affair of the heart a sojourn with Ireland The Author **Holstein-Friesian Herd-book** Holstein-Friesian Association of **Ireland of the Welcomes** ,2003 **Tribes on the Hill** Jack Weatherford, 1985-03-30 A revealing witty America, 1922 and altogether fascinating story of the tribal customs and rituals that help shape our nation s laws The Washingtonian Sharp funny and ultimately disguieting The Washington Book Review Christian Co, KY, 1991-06-15 Christian County had published a county history in 1841 by Perin and again another by Charles Meachem in 1930 Both of these histories had a limited biography section in them Under the leadership of president Lon Bostick the Genealogical Society of Christian County and the many devoted people of the county at large gave untiringly of their time and knowledge to compile and have published a third history of Christian County in 1986 which is primarily a family history with much social history. The people responded well with material and the book was getting so large that we had to stop receiving family histories This left many without the opportunity to get their families recorded Late in 1990 Lon had a job started and was not complete therefore the Odd Fellows of Green River Lodge 54 of Hopkinsville and Jewel Rebekah Lodge 14 the auxiliary of the Odd Fellows met and voted to compile and have published a continuation of Volume I of the Family Histories to be titled Edition I of Family Histories of Christian County **A Telling** Wayne King, 2005 The Advanced Register of the Holstein-Friesian **Association of America** ,1927 Year Book, Trotting and Pacing United States Trotting Association, 1954 Catalog of Copyright Entries Library of Congress.
